

ANNEX II

ACADEMIC AND EDUCATIONAL EXCHANGES

SECTION IV

1. Both sides agreed to the arrangements given below for the categories of participants mentioned in articles 1 and 2:
 - a) representatives of both sides will meet annually in the month of April, alternately in Canada and the USSR to reach final agreement on the placement of nominees. Actual dates of the meeting will be agreed through diplomatic channels with the sending side bearing the expenses for its representatives;
 - b) the sending side will pay the participants' travelling expenses to and from the destination in the receiving country;
 - c) the host side provides tuition fees and other fees of institutions of higher learning, expenses related to internal travel in accordance with the research or study programme approved by the receiving side, stipend, suitable free accommodation for participants, and free medical, dental and hospital services. If participants are accompanied by dependents, similar free medical, dental and hospital services will be provided for them, and the host side will provide all possible assistance in finding suitable accommodation for them;
 - d) the host side arranges for participants to be met upon arrival and to be given all necessary assistance for accommodation or further travel in transit to their destination.
