

"For the purposes of this paragraph, a company that is a resident of Canada and that is taxable in the United States as if it were a resident of the United States shall be deemed to be a resident of the United States."

3. Paragraph 6 of Article XXI (Exempt Organizations) of the Convention shall be deleted and replaced by the following:

"6. For the purposes of Canadian taxation, gifts by a resident of Canada to an organization that is a resident of the United States, that is generally exempt from United States tax and that could qualify in Canada as a registered charity if it were a resident of Canada and created or established in Canada, shall be treated as gifts to a registered charity; however, no relief from taxation shall be available in any taxation year with respect to such gifts (other than such gifts to a college or university at which the resident or a member of the resident's family is or was enrolled) to the extent that such relief would exceed the amount of relief that would be available under the Income Tax Act if the only income of the resident for that year were the resident's income arising in the United States. The preceding sentence shall not be interpreted to allow in any taxation year relief from taxation for gifts to registered charities in excess of the amount of relief allowed under the percentage limitations of the laws of Canada in respect of relief for gifts to registered charities."

ARTICLE 11

A new paragraph 3 shall be added to Article XXII (Other Income) of the Convention as follows:

"3. Losses incurred by a resident of a Contracting State with respect to wagering transactions the gains on which may be taxed in the other Contracting State shall, for the purpose of taxation in that other State, be deductible to the same extent that such losses would be deductible if they were incurred by a resident of that other State."
