

Some further questions and concerns include, for example: Is the concept of conflict prevention adequate? Does the G-8 have a role to play in conflict prevention and if yes what kind of a role? What can Canada achieve in this context and what are its priorities?

Your contributions to develop this list of themes and issues and to reflect on Canada's approach and agenda for this G-8 discussion are most welcome.

Please, get in touch with Yannick Lamonde (613- 944-0391). We will reimburse your travel expenses and we encourage you to book your tickets in advance in economy class.

I look forward to seeing you in Toronto.

Sincerely,

Steve Lee
National Director
