## MONTREAL FIRM SELLS 910 AMBULANCES TO IRAQ

On behalf of the Honourable Ed Lumley, Minister of Trade, Bernard Loiselle, M.P. for Verchères, announced today that Paul Demers et Fils Corp. of Beloeil, Québec has been awarded a contract from the Iraqi Ministry of Health to supply 200 ambulances worth just over \$4 million. The same firm recently supplied 350 ambulances to the same client.

This new contract also provides for the supply of a wrecker, two mobile workshops, a car and two service engineers for one year, and brings the total number of specially-designed Chevrolet ambulances supplied to Iraq by Paul Demers et Fils Corp. to 910.
