

INDEX

HOUSE OF COMMONS LEGISLATIVE COMMITTEE

GUIDE TO THE USERS

This Index is a subject-based and cross-referenced index which provides subject analysis as well as corresponding entries under the names of individual Members of Parliament.

Each participating Member and witness has a global entry, based on the order of reference that covers all pages where he/she spoke.

Knowles, Hon. Stanley (NDP—Winnipeg North Centre)
Regional Economic Expansion Department estimates,
1984-1985, main, **15:9**, 11-2, 19

Testimony and debate are analysed for subject content and the entries are arranged alphabetically.

Member subject entry	Knowles Steel industry, 15:9
-------------------------	---

Main subject sub-heading	Steel industry Exports, 15:9
-----------------------------	---

Included in the index are several headings that may be particularly useful; a list under Witnesses shows all appearances by individuals and organizations before the Committee; the heading Orders of Reference lists all matters studied by the committee; the section Procedure records all items of a procedural nature including those listed in the Minutes.

The index is extensively cross-referenced to account for organization of subject detail and varying terminology. Cross-references to a first sub-heading are denoted by a long dash “—”.
