

Q. And that is the purpose of the report in connection with marriage?  
A. Yes.  
Q. And there is no doubt in your mind that the profession generally would  
be in the best of the matter?—A. I rather think so.  
Q. Do you think the idea of this legislation is a good one?—A. Yes.  
Q. And it will be followed up, to the physical advantage of the com-  
munity?—A. Yes.  
Q. Chairman: Well, Doctor Stern, in the name of the Committee I beg  
to express to you our very high appreciation of your illuminating evidence.
