

for writing. The only public meetings I have tried since ¹⁵
attend are those of the McGill So-
ciety of Ontario which I helped
to found. Even at that I missed
the last one.

But no general rule of ~~Fat~~
fat world, have held me back
in this case. But since my
heavy operations of last year my
nervous system seems still un-
able to stand any great strain.
Although I am getting back all
the time to better conditions, I
find ~~Fat~~ I dare not attempt
making any arrangements ahead
for attending meetings, and least
