The first, originating in a donation sent to the Lord Bishop of the Diocese, by a liberal friend, Robert Baxter, Esq., of Park Street, Westminster, England, has accumulated by being invested and by a donation from the Frampton Mission, and will shortly be increased by a grant of Four Hundred Dollars from the Church Society.

The second arises from the strenuous exertions of the Ladies of Three Rivers, who by their zeal and labour, (although the station is one of the smallest in the Diocese) have raised during the past year Eight Hundred and Forty-eight Dollars, an example worthy of imitation
