SENSATIONAL VARSITY WIN

Winning Goal Scored on McGill With Only Three Seconds of Time.

MONTREAL, Jan. 31.—Winning in two goals in the last thirty seconds of the Toronto Varsity team snatched victory from the McGill septet at the Arena tonight, just as the supporters of the red and white were beginning to discuss their chances of defeating Queens in Kingston and carrying off the championship.

For all the first half and for nearly 20 minutes of the second the two teams held each other scoreless, fighting it out thru pools of water and ice half an inch deep in slush. With little more than two minutes left to play Harry Smith, McGill's right wing rushed down the boards and, heading practically the whole Toronto team, passed to Thompson, who whipped the puck past the McGill net and into the goal.

The audience sat back prepared for overtime. McGill rushed from the face-off and Thompson shot, but failed to tally. The blue and white players carried the puck back up the ice and Alrd, shooting from an almost impossible angle, found a lodger for the puck in the McGill net, only an inch behind the far goal post.

With only three seconds to play the shot settled McGill's chances of victory and effectively crushed the hopes of the most optimistic students for the championship. It is only if McGill defeats Queens in Kingston and Toronto and Queens split even over the two games which they have to play that McGill will get into the running again, as the results would bring about a three-cornered tie.

The game was especially clean, not a man being ruled out and no one being seriously injured. Knight of Toronto twisted his shoulder and retired in the first half, but the injury is a slight one and he will be back in the game shortly. The line-up: McGill (1): Goal, Montgomery; point, Rankin; cover, Hughes; rover, Wilson; centre, Thompson; right, Smith; left, White.

Toronto (2): Goal, Laird; point, Hanley; cover, German; rover, Caldwell (Clark); centre, Frith; right, Knight (Simpson); left, Alrd.

Referee, Jack Marshall.

In a very well contested game of hockey at Victoria Harbor last evening, Victoria Harbor beat Port McNicoll by 4-4. The ice was very soft, but the boys showed good form. It looks good for O.H.A. next year.

The following comes from Kingston: If Kingston is ever again to have a chance of winning the championship in the Senior O.H.A., there will have to be an ice arena provided. The management of the team have recognized this fact, and are putting forth every effort possible to get the ice arena.

With practically no practice whatever, the senior team has made a miserable showing. O.H.A. hockey will likely be dropped next winter if there is no arena built here.

The N.H.A. officials tonight are: Quebec at Tecumseh, Harry Palford and Dr. Wood; Toronto at Wanderers, Johnny Brennan and Tom Melville; Canadians at Ottawa, Riley B. and Harry Westwick.

The Intermediate O.H.A. game, Paris at London, scheduled for last night, was postponed until next Wednesday. The Ingersoll-London game was called off. London plays in Ingersoll next week.

The Varsity: Just one hockey match in the whole Jennings series has been played, and it begins to look as if the silverware will have to be left on the shelf.

Weldy Young, the ex-Ottawa hockey-lucrose player, says that Tecumseh have the best line-up in the league for seven-man hockey, and predicts a grand stand finish for them.

Rusty Bell gave his Varsity juniors a frost workout at the arena last night. Rusty took one goal himself and kept them on the move all the time. He says they are good enough to beat Toronto Canoe Club a beating on Monday night.

Toronto tacked Wanderers tonight in Montreal. Minnie McGillen will be back in the game, and the ready little mixer calls the blue shirts to win. Hope they do.

When St. Michaels and T. R. & A. A. hook up in the semi-finals the arena will not be big enough to hold the crowd.

Frank Foxyston was out for a few minutes yesterday and will likely play in Montreal tonight.

Elmira and Berlin are tied for district honors in Group No. 6, Intermediate O. H. A., and will play home-and-home games on Monday at Elmira and on Wednesday at Berlin. Total goal for the round will decide the group.

Guelph Vics will play their postponed O.H.A. game at Brantford on Monday night.

Midland will bring an excursion down for their game with Toronto Canoe Club Monday night.

CURLING TONIGHT

It looks like four degrees of frost tonight and thus the second round of the single rink competition will likely be curried, starting at 7:30. The group final between Toronto and Queen City will take place, weather permitting, early next week.

ST. ANDREWS ARE GROUP WINNERS

Down St. Michaels in Junior Prep. School Game—Scotchmen Best at All Times.

St. Andrews' College won their Junior O.H.A. district yesterday afternoon when they scored a one goal victory over St. Michaels. The Scotchmen were always the best and it was the good work of Sullivan in the nets for the Irish lads that kept the score 1 to 0.

St. Michaels played their poorest game of the season. The green shirts in every other fixture this year have checked back hard at all times and their forward line has been as speedy as any in the group. Yesterday it was a different story. The front men like a lot of dead ones and the back-checking conspicuous by its absence.

Sullivan in goal stopped shots from every angle and St. Andrews found him a veritable stone wall. At the other end Sullivan had an off day and the easiest kind of shots slipped past him. The St. Andrews team were all over St. Michaels all night and had the play three-quarters of the time. Munn was the leader in the checking-back and put the spirit into the rest of the boys.

At half time it was a 3-all tie and the Scotch ran in three goals in the second half and it looked all over but the cheering. The Scotchmen rolled over St. Michaels in the net. This left St. Michaels only one goal behind and the battle was hot.

St. Andrews rushed the puck to the other end, but Sullivan was Johnny-on-the-spot and he turned aside dozens of hot ones. It ended without further scoring. The summary:

St. Andrews..... 2.00	St. Michaels..... 1.30
St. Andrews..... 1.30	St. Michaels..... 1.00
St. Andrews..... 1.00	St. Michaels..... .80
St. Andrews..... .80	St. Michaels..... .60
St. Andrews..... .60	St. Michaels..... .40
St. Andrews..... .40	St. Michaels..... .20
St. Andrews..... .20	St. Michaels..... .10
St. Andrews..... .10	St. Michaels..... .00
St. Andrews..... .00	St. Michaels..... .00

The Winnipeg Hockey Club, prospective Allan Cup holders, are trying to arrange a trip east after the cup games. They hope to play in Toronto with St. Michaels and Toronto Canoe Club.

St. Andrews should have won by six goals over St. Michaels yesterday afternoon. St. Andrews were on the aggressive nearly all the way, and it was only the great goalkeeping of Sullivan that kept St. Michaels in it at all.

Pets Rescued: The T.C.C. players displayed their thirteenth in an Eaton Store game at Little Vic Rink on Thursday night.

Toronto fans will get a chance to look over the seven-man style as played by the H.A. teams tonight. This makes a brand of hockey has made a big hit in Toronto, and the seven-man style will hardly be as popular.

That Peterboro-Varsity Senior O.H.A. game at the Arena this afternoon will be a hummer. Peterboro has St. Michaels an awful scare in the first half, and it was only the great goalkeeping of Sullivan that kept St. Michaels in it at all.

The seven-man pro. game will be just the ticket for the Tecumseh fans. They are handling it out that Sammy's team are playing wonderful hockey right now, and they will be hard to beat with another man on the ice.

Preston refused to default their game to T. R. & A. A. scheduled for Tuesday night. The black and white squad wanted to bring a question here for an exhibition fixture, but now it is all off.

The T.C.C.-Varsity junior game, which is the curtain-raiser Monday night, will be a heavy betting proposition. The Paders have been the young collectors once, and have the edge, but everybody says that the champions were lucky. They say they were lucky to beat Parkdale, but they did it just the same.

Arrangements for the senior semi-finals and finals have not yet been decided upon. Locally it is felt that the St. Michaels team will be the favorites. The teams should come together in the semi-finals. Both teams are practically thru their schedules, having each only one game to play. On the other hand, if T.C.C. win from Midland here, there will be a tie for first place, and a sudden-death game will be necessary.

Elmira and Berlin are tied in Group 6 of the intermediate series, and they will play in Berlin Monday and Elmira Wednesday, with goals to count on the round, to see who will go into the semi-finals.

WRESTLING TOURNEY AT THE CENTRAL "Y"

Twenty-Three Contestants in Six Classes Furnish Some Splendid Bouts.

The second monthly invitation wrestling tournament was held at the Central Y.M.C.A. last night, and every bout practically was fought out to the limit. Some new boys were uncovered, and they bid fair to be serious contenders from now on. Hood of Central and Lappan of the Finnish Club were especially clever. Silver medals were awarded as first prizes. Twenty-three contestants wrestled in the contest.

CHARGED WITH THEFT. George Payne Alleged to Have Stolen Groceries From Employer.

Jam, charcoal and salmon are commodities which did not figure in the high cost of living of a woman who lives at 44 Milan street and claims to be the wife of George Payne, 291 West Richmond street, who, until last night was employed by Thomas Dowd of 102 Wilton avenue, to deliver groceries.

Mr. Dowd had been missing small supplies of groceries for some time, and finally communicated with the police department. Detectives Newton and Wallace shadowed Payne yesterday and saw him deliver a jar of jam to the Milan street home. The detectives followed the jam and discovered that in the house there were three bags of charcoal and four tins of salmon which answered the description of a stock which at one time belonged to Mr. Dowd. Payne is charged with theft.

China's First Union. The Shingha correspondent of The Times states that China has just seen the birth of its first trade union on approved western lines. Last Monday 3000 goldsmiths and silversmiths struck for an 11-hour day, two hours for meals and a 40 per cent. rise in wages. The strikers' notice was forming a union does not seem to have originated until after the strike.

WANT PROVINCIAL LICENSE. LONDON, Ont., Jan. 31.—(Can. Press.)—The auctioneers of Western Ontario at a meeting here today decided to petition the Ontario Government to provide for a provincial license to take the place of the present municipal licenses.

was in full force, but when the matters gave way, as they did after 48 hours, they were faced with a new demand that they should employ men but union men. So once again East is West, and it is shown that it is not only the Japanese who have the imitative instinct strongly developed.

McInty's OLD GERMAN LAGER.

Better Than American

Lagers, because there is no rice, corn or other malt adjuncts used in Kuntz's Old German Lager. Pure Barley Malt, Bohemian Hops, high-class yeast and sparkling spring water—these are the materials from which Kuntz's Old German Lager is brewed. It's surely a high-quality lager, with an Old German flavor that is really a joy to taste. Try a bottle at the hotel or café for luncheon, or order a case from your liquor dealer.
