## **COMMISSION MET** TO DISCUSS FISH

Sessions of High Cost of Living Investigators Are in Camera.

NO GREAT DIFFERENCE

Between Prices in Toronto and Ottawa, is First Day's Finding.

Fish is one of the most important factors in the high cost of living. The proof of this is found in the fact that the Dominion Government H. C. of L. Commission, which opened its Toronto sitting at the Queen's Hotel yesterday

devoted its first day here enquiring into the subject of fish.

Two witnesses, both of them prominent in the fish business, were heard yesterday. They were heard in private. By adopting this course the commission will be able to eccurse the sion will be able to secure fuller evidence, and from better sources than would be the case if the sittings were public. Those who appear do so by request, altho the commission is empowered to subpoena witnesses if neces-

At the conclusion of yesterday's session, the commissioners said it was too early to express an opinion on prices in Toronto, but according to the evi-dence so far given there was very little if any material change between Tornto and Ottawa prices. Before leaving this city the commission will investigate the meat and products business, including the oper-ating of joint stock companies and cold

storage plants. The commission is composed of John McDougald, commissioner of customs; R. C. Coats, statitician of the department of labor; J. N. Vincent of Ottawa and T. J. Lynton of Ottawa, secretary. It is understood that Montreal will be

More Than a Hundred Farmers Are Looking for

Men. Owing to the strict enforcement of the \$50 entrance fee, the British immigration to Ontario for the month of January was only half that which it was for the first month of last year, the figures being 587, compared with 1111, when the sum required on en-

tering was \$25. Those that have come in have allbeen sent directly out on farms and the result has been that no additions to the population of Toronto have been caused by their coming.

Speaking of the great numbers sup-posed to be out of employment, Robt. Birmingham, Dominion Government Superintendent of Immigration for Ontario, stated to The World yesterday that he had applications at the present time from more than a hundred farmers looking for help. These would guarantee ten dollars a month and board until the first of April, after which an increased ware. which an increased wage would be paid. This offer is not limited to new-
