

**SEEDS.—Clover.**—No clover offering, and unless British prices advance there is little prospect of any export trade this season. The crop of new seed is small, and holders are asking much higher prices than dealers are warranted in paying for old seed. The highest price offered is \$5 a bushel. *Timothy* is quiet and unchanged at \$4 a cental, and *Flax* seed is inactive at \$3 a cental.

**Wool.**—Continues inactive at previous quotations. For round lots of fleece 30c to 30½c would be paid, but there is little offering. Supers are steady at 29c to 30½c, and extra at 35c to 36½c.

#### Special Notices.

The attention of cotton and woollen manufacturers is called to the advertisement of Messrs. Emil Thourét & Co., who are sole Agents in Canada for the well-known Aniline Dyes of K. Oehler Offenbach O.M. (On-Maine) Germany. The mills who have used those dyes now give them the preference over all others. Samples and quotations sent on application.

Beaconsfield Vineyard G.T.R.—Near Point Claire, P.Q.—The Messrs. Gallagher & Gauthier are meeting with immense success in their new enterprise, as witnessed by the following important testimonial:—

J. M. J.

"We have purchased (last fall) from Mr. Geo. F. Gallagher several hundred plants of the Grape Vines—Beaconsfield."

"They are growing wonderfully—even beyond expectation. Some of those young Vines have already produced six and seven bunches."

"The vigorous growth of the plants surpasses that of almost all shrubs and vegetables of our garden, and promises great results for the future, with little trouble."

"LES RELIGIEUSES HOSPITALIÈRES"

"DE L'HÔTEL DIEU DE ST. JOSEPH."

Montreal, July 24th, 1880.

Such letters as the above are being constantly received, and indicate the care and attention which Messrs. G. & G. are devoting to the cultivation of vines, small fruits, &c. All orders should be addressed to Gallagher & Gauthier, Beaconsfield, P.Q., or to their office in Montreal, No. 57 St. Gabriel Street.
