

THE SELKIRK BOARD OF TRADE

feeling that the Town of Selkirk with its natural advantages of situation, and the excellent farming lands in its vicinity render it such as to offer special inducements either to those wishing to open out in any of the business enterprises for which there may be openings, or to intending settlers in search of farm lands on which to locate, have had this pamphlet prepared from reliable information regarding the town and the farming lands in its vicinity.

EVELYN STREET, SELKIRK
