OHIVESA WON FEATURE
DAWSON'S STEEPLECHASECicely Only Favorite to Win Tuesday
at Hamilton—Jockey
Archibald Ruled Off.

Favorites fared very badly once more on Tuesday on a good track at Hamilton, Cicely, in the first race, was the only first choice to win, and all the others ran outside the money except Lady Klipsa, while Lord Radnor broke down completely in the steeplechase.

Cicely, much the best in the first, Gertrude F. at half the distance had a lead of five lengths, but stopped to nothing coming home. Cicely made up the ground at the head of the stretch and romped in, Loupasia as easily ahead of La Gloria. The winner was backed from 5 to 4 to 3 to 2. The second saw three driving to the limit at the wire, Bouvier just nipping Havana, with Pedro second. The pair of Misses were most backed, with the wise bettors on the winner.

The steeplechase was the best of the year, without a fall, the only mishap being the breakdown of the favorite early in the contest. Wild Racer had looked like a winning lead at the last jump, but he was all in, Frank Somers got to him first, and Davyall just after him. The lot raced together most of the way, five of the eight having the lead at one time or another. Somers and Radnor carried the most money.

The Brown entry ran one and three in the mile race, Cicely, the favorite, took a useful gallop. Shine on, the place. They ran that way all the way, with Cicely leading. The pair of Misses, and wondered why the price was not cut. Both stables had fair support, and some fancied Royal Window, that showed form like Sir Ralph's.

Extra showed qualities in the fifth, making up a lot of ground by the end of the stretch. He was going along from Sultry, Marimo third. Tout information sent money in barrels on Stowell, and his price receded from 8 to 7. Rabuval was also backed, and a Bradbury on Henry Waring, first and third.
