Commission Visits Roads in Competition—A Seventy Mile Jaunt —County News.

TORONTO JUNCTION, April 25.—A great many citizens have been wondering why there has been no free mail delivery, and some of them claim that the reason was on account of the houses not being properly numbered. In fact, some of them have no numbers at all. Mayor Baird explained the cause as owing to the fiscal year being closed from April 1 to July 1. It is claimed that the postal delivery has been delayed because the council has not made any move to number the houses. Until this is done, there will be no free delivery of mail.

The committee meetings of the council will be held as follows: Works committee, Monday night; property committee, Tuesday night; executive committee, Thursday night.

A perfect 12 building a house on Annette-street. Dr. Hopkins is also building a house at the corner of Pacific-avenue and Annette-street. R. C. Cummings is building undertaker's parlors and dwelling at the southeast corner of Midland and Annette-street.

The board of health met to-night. The report of M. H. O. states that the town was in an exceptionally healthy condition. Only two cases of scarlet fever and one of diphtheria during March. No action was taken regarding the public lavatory in the centre of the town. The M. H. O. deprecated the abuse of the lavatory with respect to the Willoughby-avenue dump.

Improving the Roads.

Roads, good, bad and indifferent—sand roads, clay roads, mud roads, macadam roads and about every other conceivable kind of turnpike were traversed in an automobile jaunt yesterday in York County of 70 miles by a party consisting of Hon. Dr. Resume, minister of public works; A. W. Campbell, Ontario commissioner of good roads; W. M. Pugsley of York County Council, William Doble, chairman of the good roads committee of the Ontario Motor League, and E. M. Wilcox, secretary of the Ontario Motor League.

The purpose was to examine the sections of highway that have been entered in the competition of the Ontario Motor League for the best improved roads in the province. The jaunt was made in an exceptionally healthy condition. Only two cases of scarlet fever and one of diphtheria during March. No action was taken regarding the public lavatory in the centre of the town. The M. H. O. deprecated the abuse of the lavatory with respect to the Willoughby-avenue dump.

BOXES FOR HORSE SHOW REALIZE GOOD PRICES

George Beardmore Gets First Choice for \$125—Others Range Down to \$42.50.

A bargain day for the ladies was what Secretary Stewart Houston designated the sale of boxes for the horse show, which took place in the yellow room in the King Edward yesterday afternoon. In former years Mr. Houston said everyone had been desirous of paying the highest price possible for the boxes, but this year the management had decided that that sort of thing should be cut out and that real bargains should be given.

This, he went on to say, was the thirteenth year of the horse show, but with their change of location from the armories to St. Lawrence Market they had also changed their name and the present show would be presented to the Canadian National Horse Show.

Sale Was Satisfactory.

There were about a hundred present at the sale, the most of them prominent society people. Bidding was fairly brisk and while no comparison with former sales can be made, the officers of the association appeared to be well satisfied with the results. There are 44 boxes in all, but a number of these had previously been presented to the lieutenant-governor and other prominent persons. About 30 were sold, and the few that are left will be disposed of privately by seat.

Charles M. Henderson, who conducted the auction, started the first lot at \$100, and this was quickly run up to \$125, at which price, the highest bid at the sale, George Beardmore had No. 31 knocked down to him.

The other sales were as follows: Mrs. Bristol, No. 31, \$105; Stanley Barracks, No. 34, \$100; H. C. Tomlin, No. 35, \$100; C. W. Johnson, No. 37, \$50; C. C. James, No. 14, \$80; Jos. Kligour, No. 10, \$50; J. J. Dixon, No. 30, \$80; H. C. Cox, No. 23, \$80; Senator Kerr, No. 9, \$75; Col. Maclean, No. 18, \$75; Dr. Andrew Smith, No. 28, \$75; Dr. Young, No. 27, \$75; W. C. Bailey, No. 8, \$70; R. A. Smith, No. 7, \$65; Langton Wilkes, No. 6, \$60; Dr. McCoy, No. 38, \$60; Col. Stevenson, No. 2, \$55; W. A. Laycock, No. 39, \$50; F. H. Walker, No. 4, \$50; George Popper, No. 15, and \$42.50 each; Miss Wilks (Gait), No. 3, \$42.50; Cawthra Mulock, No. 6, \$45; Walter Beardmore, No. 1, \$42.50; Stewart Houston, No. 25, \$42.50; T. A. Graham, No. 20, \$42.50.

In addition to His Honor Lieut-Gov. Clark, complimentary boxes were sent to Premier Whitney, Hon. Nelson Montebello, Eric-Gen. Otter, Mayor Cotsworth and the judges and one was reserved for such distinguished visitors as may put in an appearance. Show Opens Wednesday.

The show will open on Wednesday afternoon at 3 o'clock, when two of the largest hunting classes will come on. The formal opening, however, will not take place until 8.15 in the evening, when the lieutenant-governor will give it his official recognition.

A silver medal contest under the auspices of the W.C.T.U. will be held in First-avenue Baptist Sunday-School room, on Tuesday evening next, at 8 o'clock.

At the meeting of the Broadview Boys' Debating Society to be held to-morrow (Friday) night the subject will be "Resolved that the fishery industry of Canada is more important than the lumbering."

The Dubuist season in connection with the institute will open on the Don flats on Saturday afternoon, when the Broadview juvenile play the All Stars.

The lawn bowling greens at the Woodbine will not, it is said, be ready until next summer, owing to the ground in many places having subsided. This will not permit the holding of the Dominion tournament there this year.

North Toronto.

NORTH TORONTO, April 25.—Great sympathy is extended to Town Clerk and Mrs. Douglas W. Fookes on the death of their 18-year-old daughter, Jessie Esabelle, which took place this morning at 6 o'clock. The little girl took ill last Monday with diphtheria. The funeral took place this afternoon to Mount Pleasant cemetery, at 2 o'clock. The contributions in profession, and among them were some from the town council, the Sunday school of the Eglington Methodist Church, Mrs. D. A. Macdonald, Mr. and Mrs. Sam Douglas, Mr. and Mrs. James Child, Mr. and Mrs. Sam Lawrence, Miss Pugsley and others.

A pretty wedding took place last night at the residence of the bride's mother, Mrs. Douglas, of Frederick-street, when her eldest daughter, Edith, was married to Wm. F. McCrea, Rev. W. Patterson, pastor of Christ Church, Deer Park, conducted the ceremony. About 150 serenaders knocked at the door, and after receiving a substantial sum of money, departed, with good wishes for the happy couple. Mr. and Mrs. McCrea will reside on Devon-street.

A petition is in circulation for the extension of the water main on Eglington-avenue east. This district is rapidly filling up and a large number of new houses are under construction. Eglington Public School has been ordered to be fumigated by the medical health officer.

The Rev. Professor Morphet of Bristol, England, assisted by the Rev. Mr. Dr. W. Patterson, of Christ Church, gave an illustrated lecture on "Great Britain," with a brief visit to France and Switzerland, in the Presbyterian Church here to-night. The lecture was under the auspices of the Y. P. Society. The lecture was greatly appreciated.

Dovercourt.

DOVERCOURT, April 25.—A mass meeting of the members of the district will be held at the schoolhouse on Monday evening for the purpose of discussing the advisability of having a school for the district. The Rev. Mr. Morphet, of Bristol, England, assisted by the Rev. Mr. Dr. W. Patterson, of Christ Church, gave an illustrated lecture on "Great Britain," with a brief visit to France and Switzerland, in the Presbyterian Church here to-night. The lecture was under the auspices of the Y. P. Society. The lecture was greatly appreciated.

Wychwood.

WYCHWOOD, April 25.—The Rev. W. A. McTaggart is building an up-to-date residence at 1000 York-street. Mr. Redman of Thornhill is building one next to Mr. McTaggart's, on St. Clair-street. Mr. G. W. Webb a brick dwelling adjoining his store. Several other smaller buildings are in course of erection.

There is a great demand for building lots, and Rowell & Co., real estate dealers, are busy transferring properties. At present, they have on hand a block of land, consisting of five acres, on the corner of Dufferin-street and St. Clair-avenue, into building lots and another block on Vaughan-road, one-quarter of a mile north of St. Clair-avenue. Rowell & Co. are also handling the selling control of these properties.

Mr. M. J. Newton, formerly of the Empire, is now proprietor of the Imperial Hotel, corner King and York-streets. European plan.

Card of Thanks.

Editor World:—I like to express my thanks to those who helped save my property from being destroyed by fire. The assistance of the fire department, the zeal and earnestness manifested, the kind words of sympathy, and the open door to myself and family will never be forgotten.

Robert A. W. Wilson,
Newtonbrook, April 25, 1907.

Agincourt.

AGINCOURT, April 25.—The cold, backward weather that we have had since April 1st has been very hard on the fall wheat and small seeds in this locality. The wheat especially is looking very brown, and needs a nice warm rain very shortly to revive it, or it will require to be plowed up and reseeded with other grain.

Seeding has become general this week, although few were engaged in plowing last week.

On Monday while W. H. Paterson and Dr. Curtis were out driving their horse became frightened and began kicking, with the result that the buggy was badly wrecked. Mr. Paterson was thrown out, and his left elbow dislocated, and he was otherwise shaken up. The doctor thought discretion the better part of valor, and vacated the rig when the fracas began. He escaped unharmed, and acted the part of the good Samaritan by binding up the injured man's wound and taking him to his house, from which he was afterwards removed to his own home.

Executive Confirms Date.

The executive of the West York Conservative Association met last night at the residence of Mr. J. A. Simmers, and held a nominating convention on Saturday, May 11, at Weston. The meeting was a representative one, and thoroughly unanimous.

East Toronto.

EAST TORONTO, April 25.—The body of George Hare, the young son of Harry Hare, who met with his death in front of the Massey-Harris works last night, was tonight brought to his parents' home on Steeles-avenue, by George Hare, the father. The scene at the home was heart-rending and no event of recent years has aroused more sympathy. Mrs. Hare is the daughter of George Hare, the father of Little York. The funeral will take place on Saturday afternoon at 2.30, to St. Jude's Cemetery, Westford.

FRENCH VERSION NOT NEEDED

Insurance Commission Evidence to Be Printed in English Only.

OTTAWA, April 25.—(Special.)—A resolution of the printing committee of two houses of parliament was taken up in the senate to-day. The matter was up the day previous when Senator Ellis, chairman of the senate section of the printing committee, offered an amendment providing that the four volumes of evidence taken before the insurance commission be printed in French. He said the house of commons had resolved the evidence should be printed in French, and he offered the amendment as a matter of respect to the committee. The amendment to print the evidence in French was defeated as it was found that there was no demand for a french version of it.

THE CHARGES AGAINST DUNN

Conduct of Vigilant's Captain to Be Investigated.

THOROLD, April 25.—The charges against Captain Dunn, commander of the government cruiser Vigilant, will soon be investigated. Mr. H. H. Collier, K. C., of St. Catharines, has been appointed a commissioner to conduct an enquiry.

The captain is under suspension, pending the investigation. J. Leckie, formerly first officer of the Vigilant, accuses Captain Dunn of being an habitual drunkard. The present trouble started when the commission, acting on a report from the senior officer, Captain Dunn, that he had become intoxicated while on watch, dismissed him.

Feed Children for Brain and Muscle

The Food May Determine the Success of After Life.

Many a child grown to maturity can look back and see where tender-hearted parents permanently injured or weakened it by harmful indulgence in food.

Irregular feeding, meat-eating and unsuitable, heavy food in childhood have undoubtedly laid the foundation for invalidism and blighted the career of many who might otherwise have achieved success.

Children like the sweet, satisfying nourishment of wheat, which contains every element needed for perfect nutrition from infancy to old age. The best of all eatables for growing children is Malta-Vita, the one perfect wheat food, which they eat with genuine relish and never get tired of.

Malta-Vita combines the delicious taste of crisp, nut-brown, whole-wheat flakes with the natural sweet of grain. Without meat, eggs, tea, coffee or chocolate, pure and thin-blooded children can be made vigorous and strong in a few months by a simple, satisfying diet of Malta-Vita, with milk, cream or fruits. Try it. They will thank you for it afterwards. In large, sealed, airtight packages, at the grocers, only 10 cents.

BUILDING IRON WORKERS ARE LOOKING FOR MORE

Employers Not Prepared to Grant Increase of Wages to Forty Cents an Hour.

A labor strike is threatened for May 1 or thereabouts that will assume a greater magnitude than any disturbance yet recorded this spring, namely, that of the structural iron workers.

A meeting between a committee from the union and representatives of the builders has been arranged for in the Employers' Association rooms, on Monday afternoon, when the tract agreement prepared by the men will be considered. It calls for a minimum wage of 40 cents per hour, but from a statement made last evening by one of the leading construction companies, it would appear that this will be opposed to the bitter end. This means that the new grand stand and transportation buildings at the exhibition grounds.

The union is obstinate and confident. It has made out of the vast number of jobs already under way and the vast number in contemplation, there are few upon which non-union men are engaged, and besides, the trade, tho' not skilled, is distinctive in its line and consequently not over-run.

The following shows the contracts at present held by various companies, with in some cases, the number of men employed:

Hamilton Bridge Co.—At the exhibition grounds, horticultural and grand stand buildings, 45 men.

Dominion Bridge Co.—Ogilvie Building, Bay and Wellington-streets, 18 men; Riverview School; Consumers' Gas Co., McGehe and Front-streets, 15 men; Mosop's Hotel, Yonge-street, 12 men; Ontario Electric Building, Queen's Park, 10 men; Dominion Transport Co., West Wellington-street; Rosedale School; Dewson-street School; alterations Ontario Life Building, and Victoria Chambers, 8 men; Avenue-road Presbyterian Church.

Thorold Pelter Co.—Additions to Star Theatre, 10 men.

Canada Foundry Co.—Dominion Radiator Building on Lansdowne-avenue, near Junction, 10 men; Hobbler, 10 men; East Richmond-street, 6 men; W. R. Brock building, Wellington and Bay-streets, 8 men.

McIntyre Co.—Ornamental work: stairways and railings Molsons Bank; Bank of Toronto branch, Elm-street, and stairway new Alexandra Theatre, 10 men.

Only two of the above establishments employ non-union men. Theoretical placing of the scale, it is said, that he will pay the proposed scale.

BICYCLE INDUSTRY

Has Benefited Greatly From Automobile Manufacturing.

Experience obtained in manufacturing automobiles is said to be responsible for some six to eight improvements in the modern bicycle, a machine which was supposed to have reached mechanical perfection several years ago. It is said, however, that the improvements found in the 1907 model all count for the improvement of the two-wheeled roadster, and are in no way fresh inventions. Anything that will be encouraged. It deserves long life, if for no other reason than that it is the father of good roads and strong legs.

very proud of the success of Tom Longboat, and also thankful for the reception that had been given him by the City of Toronto.

In her opinion, the best gift Tom could have was an education. All Indians were anxious to be educated, and when they were, they made good citizens and did well.
