Mr.Dolge, being an adept at figures, measured a space and counted the blocks. He figured it out that there were at least 4.200.000 of these little	Friday, and the sharp recovery which fol- lowed. After the long upward movement that has characterized the stock market the adverse turn was not surprising. The primary cause of the slump was the dis- turbance of the money market, accompani- ed by discrimination on the part of money- lenders against high-priced specialties. The down turn was, in other words, really caused by the collanse of the highly-water-	Pacific Mall 49% 50 491/2 498 Rubber 491/4 511/4 491/4 50% Bending, first pref. 65 651/4 641/4 641/4	Chandlery	RICE LEWIS & SON
