TOOK TOO BIG A BITE.

Visitor Thinks the Paris Exposition
Promoters Bit Off More
Than They Could Chew.

To put it plainly, J. W. Simpson, a prominent leather merchant of Sydney, Australia, who has just arrived here after a business trip to London, Paris, New York and other cities, thinks that the Parisians have bitten off more than they can chew in their handling of the great World's Fair.

Several of the buildings are not yet completed, and many exhibits are still unpacked. What there is to see, however, is well worth seeing. Mr. Simpson is staying at the Palmer House. He found the temperature in New York too severe for comfort, but thinks the Canadian climate superb. Trade in his line with London, England, for the past twelve months has been remarkably good.

THE ENDEAVORERS IN LONDON.

Fifty Thousand Persons at the
Meetings—Welcome by the
Anglican Bishop.

London, July 18.—Fully 50,000 persons attended today's meetings of the World's Convention of the Young People's Society of Christian Endeavor, the special feature of the program being the delivery of messages from the churches. Rev. Hugh Price Hughes, president of the Wesleyan Conference, said he conveyed from 3,000,000 Methodists of Great Britain the desire to form an alliance with every true soldier of Christ.

Right Rev. Mandell Creighton, Bishop of London, extended to the Christian Endeavor Society the warmest welcome of his diocese, and assurances of the sympathy with this work of the large body of Christians in the city.

Dr. Parker of the City Temple urged American Christian Endeavorers to nominate Rev. Francis L. Clark and Rev. Charles M. Sheldon for the highest offices in the United States, as Christian men should be at the head of things.

DEAD IN THE FURNACE ROOM.

William Burk of Ferguson Passed
Away While at Work in
Black's Mill.

Ferguson, Ont., July 18.—About 8 o'clock this afternoon Mr. William Burk of this place was found in the furnace room of Black's saw mill in an unconscious condition, expiring a few minutes later without rallying. For some years he had been a sufferer from heart disease and just before going to the furnace room had been lifting very hard on a log in the mill. Going downstairs he was evidently about to sit up and had the shovel in his hand for that purpose, when he fell from the top of the furnace room and was found by one of the workmen who called his father-in-law, Mr. Black, and together they carried him to his home. A doctor was summoned, but to no purpose. Deceased was about 25 years of age and leaves a widow and two children to mourn his loss.

Who Stole "Dan's" Wheel?

Mr. Donald A. McQuinn of Mr. McQuinn's Customs, stationed on Yonge-street wharf, is watching every bicycle these days with which he comes in contact. The reason for this extra vigilance is because "Dan" lost his own bicycle several days ago from the corner of Ontario and Queen-streets, and he fears that it may be shipped out of the city.

Hamilton, July 18.—(Special.)—A woman died at the General Hospital to-night under circumstances which demand a Crown inquest. Her name is Mrs. James Canary, 214 South Ferguson-avenue, and she was taken to the institution on Monday evening, suffering from the effects of a beating, which she reported to the police officers who removed her, was given her husband, who is a drinker by trade. He is a hard drinker, and has been in trouble frequently. Mrs. Canary is said to have means of her own. The doctors at the hospital report that Mrs. Canary was also suffering from Bright's disease when she was admitted to the institution.

Pell and Broke Her Leg.

Mrs. Canary was taken to the hospital in a state of collapse, and her leg was broken by the fall. She was taken to the General Hospital in the ambulance.

A Monster Excursion.

Nearly 4000 citizens took in the grocers' annual excursion to Niagara Falls and back to-day, and from all accounts it was the most enjoyable outing in the history of the association. Five trains of 10 cars each were required to carry the excursionists, and even then many were unable to secure seats. Most of the holiday-seekers were from the Falls, but not a few took in the Buffalo trip.

On arriving at Queen Victoria Park the grocers supplied their guests with an abundance of tea and milk, and excellent refreshments were made for the entertainment during the afternoon and evening. The Thirteenth Band accompanied the excursion, and gave two concerts, one in the afternoon and another in the evening. A program of games and sports was arranged during the afternoon by the grocers' clerk, and many children were still unpacked. What there is to see, however, is well worth seeing. Mr. Simpson is staying at the Palmer House. He found the temperature in New York too severe for comfort, but thinks the Canadian climate superb. Trade in his line with London, England, for the past twelve months has been remarkably good.

Leo Bowen of Cobourg, who came here to work on the G.T.R., was seriously assaulted by four men on the streets of Toronto last night. He was taken to the hospital in a state of collapse, and his leg was broken by the fall. He was taken to the General Hospital in the ambulance.

Hoepfner Still on the Warpath.

Dr. Carl Hoepfner, still on the warpath, yesterday issued a statement to the press, more or less, against William Koehler and his associates. He stated that he had been injured by Koehler and his associates, and that he was now in a state of collapse. He was taken to the hospital in the ambulance.

ALLEGED HOTEL THIEF.

Edward Redpath Caught at the St. Charles Hotel and Taken to Head-quarters After a Struggle.

The precaution taken by the police a few days ago to stop sneak thieving in the downtown hotels led to another arrest yesterday. The prisoner is Edward Redpath, son of Edward Redpath, caretaker of the chemical laboratory of the University, who lives at 6 University-crescent. He is alleged to have entered the old Army Hotel at the foot of West Market and stolen \$2 in money.

A Great Graft.

From the hotel at the corner of West Market and Front-streets, too, it is said to have been stolen two watches, two rings and other valuables. When captured the prisoner held in his hand a bundle of letters addressed to John Macdonald & Co., by whom he was employed. The letters were secured at the postoffice and it was while Redpath was on his way back to work that he entered the hotel.

Causeless Goes Free.

Robert Cummings, 74 Kensington-avenue, a young man caught on Tuesday afternoon in the Police Hotel charged with trespass, appeared in the Police Court yesterday, and because no information was given by the Crown, he was released on his own recognizance.

And Again Arrested.

Believing that they could connect him with some of the robberies, the detectives yesterday issued instructions for his recapture and this was effected during the afternoon by Detective Bienn. Up to the hour Redpath's arrest the detectives had been of the opinion that the thief was at work and Inspector Stark, in order to put the authorities of other cities on the alert, should the thief leave here and operate in other places, sent out warning telegrams.

CITY TRAVELERS' MOONLIGHT.

A Large and Jolly Crowd Enjoyed a Most Successful Trip on the Chippewa.

It was a jolly crowd that boarded the Chippewa last night. They anticipated a good time and they certainly had it. It was the Toronto City Travelers' Association's eighth annual promenade concert and it would seem almost superfluous to say that it was a success. It was more than a success and the affair will be remembered by those who were present as the most delightful outing of the season, and its popularity about it was that it was over too soon.

Leaving the dock the boat, laden with hundreds of pleasure-seekers, cruised around the lake a few miles the other side of the island. The splendid brass band of the Royal Grenadiers was on board and, stationed at a convenient place, discoursed lively music for the promenaders. In another part of the ship was the Glendon-Marciano Orchestra and here dancing was indulged in.

The arrangements so carefully mapped out beforehand were carried out to the letter. The committee in charge of the affair was to be congratulated upon the pleasing way in which the moonlight was conducted.

There Will Be No Military Bands in the Procession—The Committee in Charge.

The Toronto military bands banding this year occupy no place in the big parade on Labor Day. Unionists have decided to engage only men to supply the music for the marchers; that is, they will hire union musicians, and after they have been paid they will be sent to the band and drum bands and some of the bands from the rural districts.
