Montreal, April 27 .- (Special.) -Sir Charles Rivers Wilson and his fellow directors of the Grand Trunk, accompanied by Hon. George A. Cox of Toronto, left for Ottawa this afternoon. Being asked what he expected from

the government: "That is not definitely decided." answered Sir Charles, "and no good purpose would be served by my making any disclosure just now. At 4 o'clock this afternoon I go to Ottawa, where I will have an interview with various nembers of the cabinet. All I trust is that Sir Wilfrid and his colleagues, taking a statesman-like yiew of the necessities of the country, may see their way clear to recommend such liberal treatment as will ensure the accomplishment of the project.

my opinion, the government of Canada has never sufficiently recognized the great work which the G.T.R. did as the pioneer road in this country. It was the G.T.R. which made all others

Explanation of the Remark. What Sir Charles Rivers-Wilson is referring to here is the part played by the Grand Trunk Railway in the early the Grand Trunk Railway in the early railway development of Canada—about fifty years ago. Hincks, who succeded Baldwin as Premier of old Canada, was the political father of the enterprise. The Grand Trunk Company was incorporated in 1853. The Canadian parliament approved of a government guarantee to the extent of about \$12,500 a mile. A large rBitish party, including Robert Stephenson, the famous engineer, visited Canada in 1853 to engineer, visited Canada in 1853 to complete the arrangements. George the most formidable critic of the ar-

Lobby to the Front. The lobby is bare again in the midst the members of parliament. The oming of the president of the G.T.R. as precipitated matters, and something definite is due to happen at any moment. The promoters of the Trans-Canada Railway are losing interest in their scheme, but the real live issues are being pushed with exceptional vigor. William Mackenzie is in the city.

They Are in Now.

Ottawa. April 27.—(Special.)—5ir Charles Rivers Wilson, president: Str William Young and W. H. Smithers. Octompany, arrived in Ottawa late townight. They will have a conference with the Prime Minister and his colleagues in reference to the government assistance to be given to the Grand Trunk Pacific project, and in a day or two thereafter the government. It is now thought that what will be done by the government will be to guarantee the bonds of the syndicate subscribed for mentispoints will be to guarantee the bonds of the subscribed for mentispoints. The assistance to be given to the government will be to guarantee the bonds of the subscribed for managers declared that it was not unsual to draw the original syndicate and of their final shared into the bond conversion plan. In fact, it was decided to do this over a year age, altho no notice was the presentative of the syndicate subscribed for managers declared that it was not unsual to draw the original syndicate into the bond conversion plan. In fact, it was decided to do this over a year age, altho no notice was the government with the Perime dinks. NELSON'S STORY OF FRAUD

He Was Convicted of Theft, But is Given a Suspended

Sentence.

New York. April 27.—The United Irish societies here have adopted and sent to President Roosevelt a resolution protesting against the reported action of Secretary of State Hay. In instructing the United States minister to Pekin to reject the demands of Russia in Manchurtaking an unsigned affidavit concerning political misdoing in three Ontario constituencies from the law office of John T. Ryan, was found guilty to-day. The jury, however, recommended the prisoner to leniency, and the judge, after remarking that he wished it was within his power to banish the prisoner to Canada guaranteed action for the state and sent to President Roosevelt a resolution protesting against the reported action of Secretary of State Hay. In instructing the United States minister to Pekin to reject the demands of Russia in Manchurtia. The resolution declares that such action is fraught with peril to the United States, and is taken at the lustance of England, to promote interests which are not American. President Roosevelt was asked to note that the course of the State Department "since John Hay assumed control of it has been and still is dictated by a settled purpose to serve Builish at the expense of American interests."

New York. April 27.—The United Irish societies here have adopted and sent to President Roosevelt a resolution protesting against the reported action of Secretary of State Hay. In instructing the United States minister to Pekin to reject the demands of Russia in Manchurtia. The resolution declares that such action is fraught with peril to the United States and is taken at the lustance of England, to promote interests which are not American. President Roosevelt was asked to note that the course of the State and T. W. H. Leavitt of Toronto. G. B. Wilson, father-in-law of Frank Sullivan, had been question-declared the demands of Russia in Manchurtia. The resolution declares that such action is fraught with peril to chester and T. W. H. Leavitt of Toronto. G. B. Wilson, father-in-law of Frank Sullivan, had bee within his power to banish the prisoner to Canada, suspended sentence.

Nelson's Bold Game, Attorney Ryan, on the stand, said that Nelson had come into his office, picked up the document and walked off with it, remarking that "no power on earth would make him give it up." Ryan had him arrested forthwith. He had been retained by John J. Mc-Carthy, saloon keeper, to draw up the Monday to make a statement. Mc-Carthy declared the affidavit was for his own protection. He had not seen, but was told, the substance of the affidavit furnished by the Conservative party. Nelson, before pocketing the document, said it would be perjury on his part to sign it. Afraid of the Document

Attorney Nortan wanted the docuinless Ryan agreed. Ryan did not.

After formal testimony had been given by Attorney Ryan and Patrolman Driscoll concerning the theft, and the judge had denied a motion for the direction of a verdict, Nelson was sworn. He said he was hired by Capt.

The formal testimony had been an affidavit prepared by John Miller body else. I do not think we can body else. I do not think we can touch it."
