## CLEARY—McGREGOR.

A very pretty event took place on Wednesday, May 31, at the home of the bride's mother, Caradoc, when Miss Ida McGregory was united in marriage to Mr. John Cleary. The bride looked charming in a gown of cream satin, with pearl trimmings, and carried a bouquet of white roses. The bridesmaids were assisted by Mr. John McGregory, brother of the bride. As the bride entered the room, Mendelssohn's Wedding March was played by Miss Maggie McGregory. The ceremony was the guests sat down to a wedding breakfast, where Mr. Gardner made an ideal host. Several vocal selections by Miss McDonald, of London, and speeches and recitations added to the guests' enjoyment. Many useful and beautiful presents were received by the popular young couple. Among the guests were many from London, Hamilton, St. Thomas, Delaware, Lambeth, White Oak and Strathroy. Mr. and Mrs. Cleary are visiting at their residence in Caradoc.

## OVER THE TEACUP

Life is but a little story,  
Punctuated, in the main,  
With commas of our happiness,  
And with periods of pain.—Life.

Miss Inez E. Smith is arranging a song recital to be held next Tuesday evening, June 6, in Wesley Hall, which promises to be very successful.

Mrs. Malcolm Kent was the hostess of a eucare party Friday evening.

The camp is the present center of attraction, of course. The town men are always forgotten at this time of year, excepting those who are fortunate enough to migrate onto the hill, there to receive their feminine admirers in all the magical glory of military togs.

Mrs. Gibbons and Miss Helen Gibbons have returned to London after a couple of weeks' visit in Toronto. Miss Pauline Beddome is now their guest.

Mr. Guy Toller is away on his holidays.

Miss Kathleen Hutchinson is visiting friends in Toronto.

Miss May Beddome is the guest of Miss Carrie Cramer, of Hamilton.

Miss Eleanor Smallman gave a very pleasant, though small, tea on Tuesday afternoon for Miss Marion Barker, of Toronto, the popular guest of Mrs. Parke, of Ridout street, who looked very pretty in white muslin over dress and pink. It was a very merry little party who assembled on the veranda and wandered in the lovely grounds, which are just now looking their best. The dainty refreshment table was arranged with vases of rosy cream, white and mauve flags. Miss Eleanor received her guests in a much admired New York gown, of a very becoming shade of pink.

Among the guests at the Queen's Hotel, Toronto, last week was Mr. Walter Nichol, who is paying a short visit to Ontario, after which Mrs. Nichol, who has been the guest of her mother in London, will return with him to Vancouver. Mr. Nichol was heartily welcomed back by his many friends.

## ULCERS FOR 35 YEARS

Eleven on One Limb at One Time  
With Excruciating Pain. All  
Remedies Tried, and Number-  
less Physicians Little Benefit.  
CUTICURA Speedily Cures.

My mother has been a victim to ulcers from various veins for thirty-five years. Eleven of these terrible sores have existed at one time on the limb affected. Excruciating pain and intense suffering were endured, with all sorts of remedies on trial and numberless physicians' calls and prescriptions applied, but all practically with little benefit. However, at last the remedial agent was found in CUTICURA (ointment), which surely proved its worth in gold, alleviating pain and causing healing processes to commence and a cure speedily effected. She has, also, used CUTICURA with marked benefit in erysipelas of the face and eczema. The CUTICURA SOAP, also, has established a record only as the best cleansing, purifying, and healing in its nature, having proved itself a most excellent and valuable auxiliary to the CUTICURA (ointment). I would remark that this testimonial is entirely unsolicited, being a voluntary contribution for humanity's sake, and the commendation of the CUTICURA Remedies to the fullest confidence being satisfied of their purity, genuineness, and almost miracles wrought.

March 10, 1908. W. T. MORSE, Cabot, Vt.

versity and Huron College was held on Tuesday afternoon to confer degrees, etc., on the successful students. Afterwards the graduates and undergraduates said farewell to each other. Some to pass on forever from their beloved college to take their place in the world; others knowing that in October they would return to continue the fight that would at length entitle them to those magical letters. Among the successful students the girls are especially proud of Miss Williams (3rd year) and Miss Adah Campbell (1st year), daughter of Dr. Campbell, of Dundas street, both of these ladies are taking the honor course, and each obtained a very high percentage.

Among the old scholars of the Western University present at the convocation were Miss Cowan, B.A., of Western University, Miss Mabel Smith and Miss Jean Fraser. The two latter are now attending the Toronto University, though they spent the first years of their study at the Western University.

Probably one of the most-talked-of books of today is "The Fowler," by Beatrice Harraden. It cannot fail to interest many, and yet it is a sad thing to find "The Fowler" as a successor to that story, the perusal of which made us look on life with a more loving heart and a pitying eye, "Ships That Pass in the Night." Both books are sad, but where the hero of the latter is a lovable creature in spite of his weakness and indolence, the hero of "The Fowler" is a dreadful little creature—a masculine vampire, that no one could possibly have felt any tenderness for, although Miss Harraden makes Nora give up so much for him. The impossibility of such a character as Theodor, as a thing to rejoice over. Miss Harraden's success has not made her look through rosy spectacles on the world, at any rate.

## Pleasure's Penalty.

When the doctor gives one up, most people lose heart, but it was not this way with the young society woman in a Western Ontario city who had contracted kidney troubles through lack of care in "wrapping up" after an evening's round of pleasure. She heard of South American Kidney Cure and pinned her faith to it to cure her and in an incredibly short time felt health returning. Her suffering abated, and three months from the day her physician hinted her case was hopeless she presented herself to him a cured woman. Sold by C. McCallum & Co.

## Are You Bilious?

A sluggish liver fails to filter the bile from the blood, and when the poisonous matter goes through the body in the circulation, the whole system is tainted and deranged. This is called biliousness and can be completely cured by Dr. A. W. Chase's Kidney-Liver Pills, which act directly on the liver, making it healthy and active. One pill a dose, 25 cents a box. The cheapest medicine in the world.

Russell Sage has over 200 children named for him and to each child has given, between \$25 and \$100.

A DINNER PILL—Many persons suffer excruciating agony after partaking of a hearty dinner. The food partaken of is like a ball of lead upon the stomach, and instead of being a healing nutriment, it becomes a poison to the system. Dr. Parnelee's Vegetable Pills are wonderful correctives of such troubles. They correct acidity, open the secretions and convey the food partaken of into healthy nutriment. They are just the medicine to take if troubled with indigestion.

## Extra Values in Staines' Linoleums.

Perhaps you do not appreciate the strong wearing quality of a good linoleum. "Wears like wood," is given as a fitting description. To some extent a piece of Staines' linoleum wears better than wood, for it always wears smooth when it wears at all. The many difficulties that beset makers of linoleums have in their 15 years' experience been thoroughly mastered by Staines', making this brand as nearly perfection as possible.

Prices are all special, pending the removal to the new store:

—Staines' High-Grade Linoleums, of which we have a large stock, certain special patterns will go on sale, per square yard, \$1.00.

—Staines' Inlaid Linoleums, second quality, a splendid wearing floor covering—choice of all lines at \$1.00.

—Staines' Very Finest Linoleums, in attractive designs, special \$1.25.

## Oriental Rugs at Cut Prices.

We feel the need of the extra floor space that will come to us when we get into the new store. What we would do, were the space at our disposal now, would be to set aside a special section for the display of Oriental rugs and carpet squares, so great is the stock and so many specialties. Every thing in the line of Oriental rugs we are selling at prices much below regular figures:

—Large assortment of Rugs, in antique Anatolians, Sumach, Shirvans, and Daghestans, all new goods, and just about half regular prices, making present selling price—\$5.25, \$7.50, \$8.50, \$10.00, \$12.00 and \$15.00. Some of these are in handsome strips, 15 and 16 feet long, very suitable for halls.

Shoppers out of town will have prompt attention paid to mail orders for any of these goods.

The crop report of the Manitoba and Northwest Railway for the two weeks ending June 1 is a most encouraging one. Wheat is, for the most part, up four inches above the ground, and it is expected crops on July 1 will be as far advanced as on the same day last year. The acreage under wheat, barley and oats is considerably increased over last year.
