JULY.

"When the scarlet cardinal tells
Her dreams to the dragon-fly,
And the lazy breeze makes a nest in the trees
And murmurs a lullaby,
It is July.

When the tangled cobweb pulls
The corn-flower's blue cap awry,
And the lilies tall lean over the wall
To bow to the butterfly,
It is July.

When the heat like a mist veil floats,
And the poppies flame in the rye,
And the silver note in the streamlet's throat
Has softened almost to a sigh,
It is July.

When the hours are so still that time
Forgets them and lets them lie
'Neath petal's pink till the night stars wink
At the sunset in the sky
It is July."
