

FIRST PRIZE BOOK BINDING ESTABLISHMENT.

We beg to inform our friends and the public generally, that we have fitted up and furnished our

BINDERY,

in the most complete manner, and have procured the services of the

BEST WORKMEN,

we therefore beg to solicit orders in the above branch of our business. We are constantly manufacturing

ACCOUNT AND BLANK BOOKS,

of every description, which cannot be surpassed in quality by those of ANY establishment whether Canadian or Foreign. As an evidence of the satisfaction which our work gives, we would advert to the fact that we continue to make BLANK BOOKS for the various

PUBLIC OFFICES, BANKS,

and other establishments in this city and adjoining districts.

☞ We devote particular attention to LAW BINDING, the Binding of Music and Job Work generally, which we can execute in a BETTER STYLE and at lower prices than any House in the city.

☞ As Agents of the *Illustrated London News*, we furnish the covers issued by the publishers of that paper for the purpose of binding the half yearly volumes, thus making a HANDSOME BINDING, at a very low cost.

Our stock of

Book Papers

is very large, and which we are prepared to

PRINT, RULE AND BIND,

according to any style or pattern in the best possible manner, and at prices as low as any House in Canada.

HOTEL REGISTERS,
