### Girls Don Dog Collars; Boys To Wear Leashes

News from the Montclair, N. J., High School.

Two girls appeared in class yesterday wearing ordinary dog collars around their necks. Others are expected tomorrow, and within a week the boys, it is predicted, will be wearing leashes.

Several other High School girls have begun roller skating to school.

Gerald Trenbath, the fifteen-year-old son of the Rev. Robert A. Trenbath, rector of St. James' Episcopal church, won a \$475 bet recently by masquerading as a girl for a whole day. His adventures were not unusual until he went into the boys' lunchroom. He was thrown out.

## Easy to Gain With Yeast and Iron

New Combination of Yeast with Vegetable Iron Quick Way to Build Up Weight

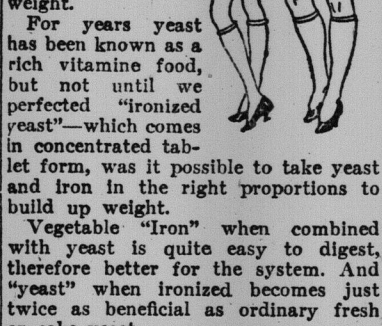

This new combination of yeast with vegetable iron, removes the action of sluggish blood cells, drives out dangerous body poisons, increases energy and endurance and supplies the system with the vitamins that build up weight.

For years yeast has been known as a rich vitamin food, but not until we perfected "ironized yeast"—which comes in concentrated tablet form, was it possible to take yeast and iron in the right proportions to build up weight.

Vegetable "iron" when combined with yeast is quite easy to digest, therefore better for the system. And "yeast" when ironized becomes just twice as beneficial as ordinary fresh or cake yeast.

Ironized Yeast tablets are composed of concentrated food elements, therefore, they are pleasant to take and free from drug-like effects. If you are underweight, do not enjoy good health, lacking in energy and force, "ironized yeast" tablets will pick you right up, and if they fail, you get your money back.

Sold by druggists, at \$1.00 for a large 60-tablet package. Harold F. Ritchie & Co., Ltd., Toronto, Canada.

## Rugs you will see in well-furnished homes

THE well-chosen rug is the keynote of the decorating scheme. It gives old furniture new charm, provides a setting for the choice pieces, quietly dominates its little kingdom. You realize the truth of this when the rug is taken up for a dance or when sent to be cleaned. Its absence creates a barrenness and removes the appearance of warmth and comfort of the whole house.

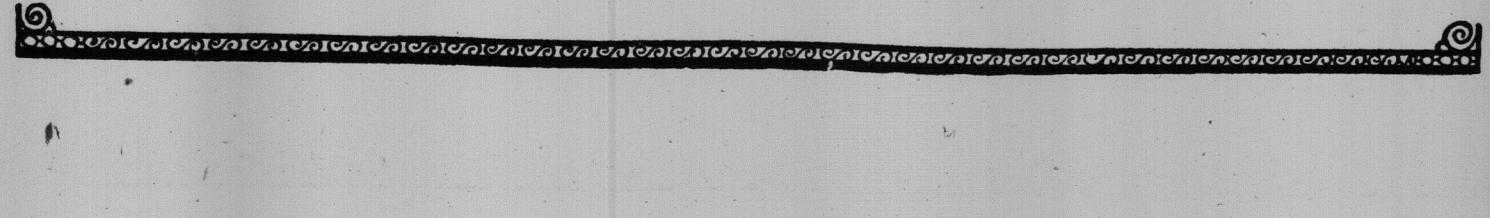

The spirit of the present day is mirrored in the beauty of coloring, the individuality of design and the perfection of weaving of BARRYMORE Guaranteed RUGS. These are the rugs you will see in the majority of well-furnished homes, as BARRYMORE RUGS are designed and woven with the thought always clearly in view that they will be placed in modern homes where all the decorations are smart and up to date. In keeping with their beauty is their richness of texture, depth of pile, and remarkable wearing qualities. Under average home conditions a BARRYMORE will last for a generation.

BARRYMORE Guaranteed RUGS in all sizes and in a delightful variety of colorings and designs are being featured in the leading stores in every city and town.

## LARGE NUMBERS BRINGING IN ADS.

Still Few Likely Spaces Are Left in the Special Edition

Yesterday was a busy day at the Telegraph-Journal and Times-Star office. A large number of callers brought in advertising for the special "Farm Property, Real Estate and Building" number. Some very desirable city lots are to be advertised, also some valuable city properties.

One or two citizens are desirous of exchanging their properties for other locations, and there are some very attractive out-of-town buys. Some advertisers are looking for farms and city dwellings, and others are willing to advance money on city and country property.

The time is getting short for receiving want ads for this special edition. They should be in at once.

### Together From Birth To Death

LONDON, March 16.—On May 17, 1899, William Easterbrook was born at a farmhouse at Widdowcombe-in-the-Moor, Devon.

A few days later the nurse who was attending his mother received an urgent call to attend the birth of a girl at a farm a quarter of a mile away.

Both babies thrived, went to and from the village school together, and became constant companions through life. They married in April 1961, and celebrated their diamond wedding in 1961.

William Easterbrook passed away a few days ago and a few hours before the funeral his wife died. They were buried in the same grave.

### Doumerge For Peace, Without Pacifism

PARIS, March 16.—The Journal today quotes President Doumerge as having said yesterday to a deputation of the National Union of Reserve Officers: "We desire peace and will do everything in the world to preserve it. Nevertheless it would be dangerous to paralyze our powers of resistance to aggression. Let us believe in peace without allowing ourselves to be carried away by pacifist illusions unworthy of a country like ours."

### MANY WILL GO TO CHICAGO FOR Eucharistic Congress

Largest Special Passenger Traffic Movement in History of Canadian Railroads Is Looked For.

According to advices received by Passenger Traffic Officials of the Canadian National Railways, one of the largest special passenger traffic movements in the history of Canadian Railroads will take place in June next in connection with the Eucharistic Congress at Chicago.

Preparations are being made in Chicago for the reception of more than a million pilgrims during the Congress, which will be held from June 20 to June 24, and the problems of transporting this multitude is already engaging the close attention of both American and Canadian Railroad Officials.

The Canadian Delegation will, of necessity, be a very large one, and will be thoroughly representative of the whole Dominion. Already the Canadian National Railways have contracted with various organizations for ten special trains from the Maritime Provinces as far West as Alberta. Most of these specials will be operated from Quebec and Ontario, but already enough travel is assured from the Maritimes for a special train to leave Moncton at or about 2.30 p. m., on Friday, June 18. This train will reach Chicago early Sunday morning. The train equipment will be of the very best, and standard C. N. R. diners will serve meals en route. The return trip will be made by special, leaving Chicago Thursday, June 24, allowing side trips to Niagara Falls and Ste. Anne de Beaupre, reaching Moncton on Monday, June 28. Delegates from Saint John and all Maritime Provinces points, outside of Moncton, will make their connection with the special train by the regular C. N. R. train services.

This tour includes five days in Chicago, and a half day side trip to Niagara Falls. There will be one whole day at Montreal, and one at Quebec or Ste. Anne de Beaupre. It will be a notable tour under the very best auspices, and in the Railway Service there will be nothing lacking.

All applications for transportation, fares and reservations on this special train should be made to Reverend J. E. Brown, Secretary of the Congress Pilgrimage, care Bishop's Palace, Saint John, N. B.
