

GOLDEN JUBILEE OF SOCIETY'S BROUGHT TO END

More Than 75 Attend Exercises of Charlotte Street W. M. A. S.

THE W. M. A. S. of the Charlotte Street United Baptist church concluded the observance of its 50th anniversary by holding an afternoon session, an informal reception and a public meeting in the evening. The vestry was decorated with potted plants and pictures of the W. M. A. Society's first president, Mrs. D. W. Clark, and other charter members were placed on the walls. Miss Maud Harrison, returned missionary from India, was the guest of honor and representatives from the various Baptist congregations in the city were present as guests. Miss Clara Fullerton, the president, was in the chair in the afternoon.

Miss Harrison gave a very interesting address on "The Telegu Women's Missionary Society in India." Mrs. Le Baron Clark sang "My Task" and a duet was given by Miss Ola Kelly and Miss Ruby Leonard.

A telegram from Mrs. G. A. Hartley, a charter member residing in Newton Centre, Mass., conveyed greetings and good wishes. A telegram of reply was sent to Mrs. Hartley from the meeting.

BOUQUETS PRESENTED
On behalf of the society, Miss Fullerton, the president, presented to Miss Harrison a beautiful bouquet of daffodils. A similar bouquet was presented to Miss Lydia J. Fullerton, who has been a member of the society since 1879.

The vestry of the church where the reception was held was decorated with yellow and white streamers and the several small tables were covered with daffodils. More than 75 were present and enjoyed the supper which was served by a committee from the W. M. A. S. During the tea hour Master Donald McLeod delighted all with piano selections.

EVENING PROGRAM
At the public meeting Rev. Dr. C. R. Freeman presided. Miss Harrison gave a very interesting address on the Telegu Christians. D. C. Clark showed lantern slide views of Indian mission scenes which Miss Harrison vividly described. A quartette composed of Mrs. A. E. Logie, Mrs. C. R. Freeman, Miss Ethel Evans and Miss Evelyn Deming gave two selections and Mrs. A. F. Logie sang a solo. The offering amounted to \$80. The meeting closed with the singing of "Blessed Be the Tie That Binds," and Dr. Freeman pronounced the benediction.

Social Notes of Interest

The members of the Board of Directors of the Y. W. C. A. were hostesses yesterday afternoon at a greatly enjoyed and largely attended reception in honor of Miss Marjory A. Ford, national secretary for finance and publicity for the Dominion Y. W. C. A. The reception was held in the recreation centre where Mrs. E. C. Weyman, the president, and Miss E. Moore, girls' work secretary, with Miss Ford formed the reception committee. The tea table was very attractive with decorations of pink sweet peas in a silver basket and pink candles in silver candlesticks. Mrs. Alfred Morrissey and Mrs. R. B. Travis poured tea and coffee. The joint conveners for the refreshment committee were Mrs. R. C. Cruikshank and Miss Louise Parks. The Y. W. Club, composed of members of the High School girls gymnasium class, assisted in the following: Misses Vera Roberts, Lulu Israel, Muriel Langstroth, Mary Sealy, Edith Howitt, Elaine Cunningham, Alma Weeks, Gladys Holder, Eleanor Logan, Mary Gray, Helen Belding and Norma Parlee. During the afternoon Miss Ford gave a short address telling of the work of the Y. W. C. A. at home and in other lands.

A farewell bachelor dinner was tendered by his fellow members of the Byng Boys' Club at their bungalow, Pleasant Point. About 30 members were present. Dr. D. C. Malcolm presided. Included among the guests was Brigadier-General Dubs, of Montreal. Best wishes were extended to Mr. Anglin, whose wedding is to take place tomorrow.

The Misses Kathleen and Eileen Branscombe were the hostesses at a delightfully arranged drawing room tea at the family residence, 100 Princess street, yesterday afternoon. The table was decorated with a profusion of pink gladioli and pink candles in silver candlesticks decorated the drawing room and also centered the table, over which Mrs. Kenneth Golding presided, assisted by Miss Constance White, Miss Clement Fenton and Miss Eleanor Fleming. During the afternoon Miss Branscombe presented to the honored guest a beautiful pink rose, of large dimensions, within the petals of which were concealed a varied assortment of dainty gifts from the guests present.

Mrs. Harold W. Rising entertained very enjoyably at luncheon at her residence, Gooderich street, yesterday in honor of Mrs. Ernest Phillips of Halifax. The artistically arranged table had for decoration a crystal vase of red and white carnations and red candles in crystal candlesticks. Covers were laid for eight. Those present were: Mrs. Phillips, Mrs. G. F. A. Anderson, Mrs. Bernard Russell, of Halifax, Mrs. William Hayward, Mrs. Percy D. McAvity, Mrs. Chester Gandy, and Mrs. William C. Rising.

Mr. and Mrs. Frederick S. Dupuy gave a small but very enjoyable bridge at their residence, 70 Lennox street, on Friday evening in honor of Major and Mrs. E. Raban Vince.

ST. LUKE'S JUNIOR W. A. IN PROGRAM

Excellent Entertainment is Given at Closing Meeting of Season

Mrs. and Mrs. Ernest Phillips of Halifax, formerly of Saint John, who have been guests at the Admiral Beatty Hotel, returned home last evening.

Mr. and Mrs. Hugh Mackay, Rothesay, left last evening for Fredericton to attend the funeral of Miss F. Burnside in that city today.

Mrs. William S. Allison expects to leave today for Toronto to attend a Girl Guide convention.

The International Order of the King's Daughters will hold its annual meeting in Los Angeles in June. Owing to the distance there will be few, if any, delegates from eastern Canada, but it is expected a large representation will be present from British Columbia, including Mrs. Hardie, the president of the Provincial Order, and Miss M. Ross, who is the National secretary.

Mrs. A. C. Skelton and Miss Katharine Skelton, of Hamilton; Mrs. L. P. D. Tilley, of Saint John, N. B., and Mr. and Mrs. Paul Kubring, of Ottawa, who were in Toronto last week for the Hallett-Kubring wedding, have returned home.

Wins \$2,000 And Then A \$1,000 Automobile

For most people to win \$2,000 in a newspaper contest is an extreme limit of good fortune, but Mrs. Edmund Flewelling has just received word that her nephew, Joseph M. Robinson, who won that sum in a newspaper contest last year, has now won a \$1,000 automobile in another general contest.

The fortunate young man is about 30 years of age and resides in Louisville, Kentucky, where he is very successful engaged in the newspaper supply and advertising business. His mother has visited her sister, Mrs. Flewelling in Saint John, and has many friends here who will extend hearty congratulations to the young man on his great success.

REPAIRING WHARF.

Permanent repairs to the wharf at Meteghan, which was temporarily repaired during the winter following are being carried on by the Marine and Fisheries Department and it is expected that they will be completed this week.

The members of the Junior W. A. of St. Luke's church, gave an excellent program at their closing meeting of the season held yesterday in the schoolroom of the church with their mothers and friends as special guests. There were about 70 of the Juniors present. Mrs. H. Usher Miller, junior superintendent, presided, but the program was provided by the children themselves and included the following numbers: Vocal solo, Isabel Orr; Alma Colwell and Needham and Mary Copeland; piano solos, Grace Orr and Mary Hart; recitations by Mildred Ferris, Pearl Hutchings, Dorothy Needham, Christina Colwell and Muriel Chatterton. Rev. Canon R. P. McKim, the rector, gave a short address and afterwards the Juniors served refreshments for the mothers and their friends.

During the meeting, Mrs. G. C. P. McIntyre, diocesan W. A. treasurer, presented W. A. badges to the members who had made perfect attendance during the year as follows: Muriel Chatterton, Irene Ferris, Mabel and Magon Fisher, Doris Harty, Eleanor Colwell, Audrey Lee, Eleanor Henderson and Rose Wheaton. Two of the Juniors had made perfect attendance throughout three years. They were Pearl Hutchings and Mildred Ferris, and as rewards they received books, which were given by Mrs. E. P. Wright, of St. Stephen, a former junior superintendent of St. Luke's church. Books as awards for perfect attendance throughout two years were given by Mrs. Lester W. Mowry, and were presented to Ada Stickney, Dorothy Campbell, Audrey Higgins, Margaret Henderson and Alberta Harty.

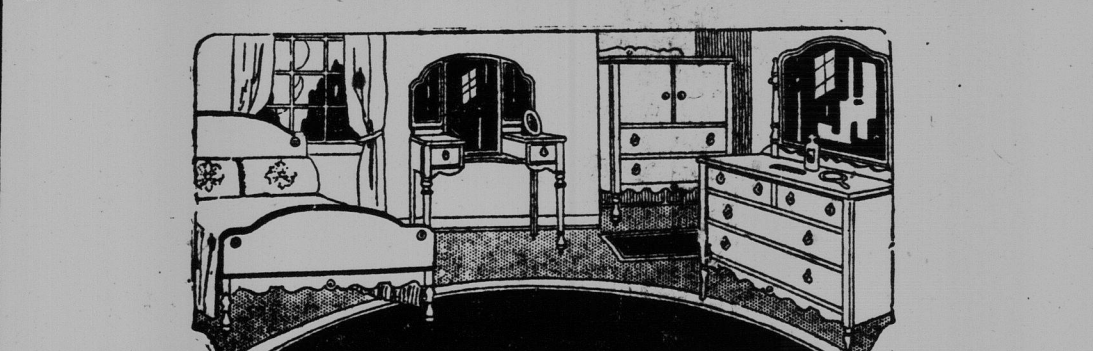

Mr. and Mrs. J. W. Davidson, of Robesay, are leaving today for a short visit to Montreal.

STAG PARTY ENJOYED.
The stag card party given last evening under the auspices of the Holy Name Society of St. John the Baptist church was attended by a large number of patrons and was a most successful event. The door prize of a roast of pork was won by Frank Walsh, and the prizes for cards were won as follows: First, a bronze pipe, won by George Britt; second, a ham, by J. Barry O'Neill; third, a box of needles, by P. F. Leishman; fourth, ham, by William Evans; fifth, a box of cigars, by Robert Atkins; sixth, a bag of rice, by John Hamilton.

Making Your Eyes Sprints.
What a price you pay Forcing defective eyes to see is like trying to keep up with a champion sprinter—both take a tremendous toll of nervous energy. You yourself, perhaps, are making far-sighted or near-sighted eyes give clear vision in spite of their defects. The price you pay is too great. Have your eyes examined.

Your Smile will show dazzling clear teeth in a few days if you do this

This simple, NEW method removes the stubborn film that hides the natural beauty of your teeth and imperils healthy gums

TEN years ago dull and dingy teeth were seen on very side. Today they are becoming a rarity. Note the gleaming smiles you see now wherever your eyes turn.

Please don't believe your teeth are "different"; that they are naturally off color and dull. You can correct that condition in even a few days.

Modern science has discovered new methods in tooth and gum protection. Leading dentists advise them. In fairness to yourself, make the test offered here.

Do This—Remove that dingy film; it invites ugly teeth and fosters gum disorders.
Run your tongue across your teeth, and you will feel a film.

That film is an enemy to your teeth and gums. You must remove it. It clings to teeth, gets into crevices and stays. It absorbs discolorations and gives your teeth that cloudy look. Germs by the millions breed in it, and they, with tartar, are a chief cause of pyorrhea.

Tooth and gum troubles and decay now are traced largely to this film. Old-time methods could not successfully combat it. That's why tooth and gum troubles increased.

Note the difference in teeth and gums
In Persodent dental science has discovered two effective film combatants. They curdle the film and remove it, then firm the gums.

Now what you see when that film is removed—the clearness and whiteness of your teeth—will amaze you.

Old methods of cleansing fail in these results.
Thus the world has turned, largely on dental advice, to this new method.

It will give you the lustrous teeth you wonder how other people get. It will give you better protection against tooth and gum troubles.
A few days' use will prove its power beyond all doubt.

Mail the coupon. A 10-day tube will be sent you free. Use it three times daily—morning, evening, at bedtime—then note the remarkable difference in your teeth and gums.
