Chas. E. Fawcett Tells Why He Is Supporting Government.

Special to The Times-Star. ALBERT, Aug. 7.—The election campaign in Albert county is now displaying vigorous activity. The presence of the Hon. I. C. Rand of the political field here has brought keen interest to the local campaign. Hon. Mr. Rand and A. Chas. E. Fawcett addressed a big audience last night.

MR. RAND SPEAKS Hon. Mr. Rand spoke at considerable length along much the same lines of those of his nomination day speech. Angus McLean is designated as the director of the Opposition campaign as shown by the latter's advertisement in the Telegraph-Journal.

The N. B. Government (Annapolis Spectator). George McArthur, well known contractor of Saint John, who is a frequent visitor to Annapolis Royal and who has been spending a few days with his daughter, Miss E. McArthur, in an interview yesterday disclosed to the Spectator what is apparently a deplorable state of affairs.

It will be remembered that Mr. McArthur was the owner of a magnificent residence in Riverside, Kings Co., N.B., which was destroyed by fire in 1921. Prior to this the New Brunswick Government had been doing considerable blasting of unstratified granite rock in this vicinity, and a great many buildings in this community had suffered severely. It was not at all uncommon for houses on McArthur property to have bricks knocked from chimneys and chimneys and in many instances the glass was broken, holes made in the roofs and in some cases water mains were broken.
