## NO EXCUSE FOR APPENDICITIS

Carelessness and Inattention To Internal Cleanliness Responsible for the Trouble

### "FRUIT-A-TIVES", THE PREVENTATIVE

When Appendicitis became recognized as a definite and dangerous disease, many theories were advanced as to its cause: the presence of grape seeds and cherry stones in the appendix being widely mooted; but after several thousand operations for appendicitis, without finding seeds of any kind in the appendix, this theory was discarded. Physicians know absolutely that appendicitis is as much a "mild disease" as Typhus or Diphtheria. They know that Appendicitis is caused, in practically every case, by chronic constipation. Waste matter, which should be eliminated every day, is allowed to remain in the bowels three or four days.

Refuse from the lower bowel work its way to the appendix, not there and inflame the appendix. Sometimes, pus forms and the appendix bursts, bringing on peritonitis.

"FRUIT-A-TIVES", the wonderful fruit medicine, is an absolute corrective of constipation. It acts directly on the liver, stimulating the flow of bile and strengthening the lower muscles, so that the waste matter is eliminated regularly.

"Fruit-a-tives" are sold by all dealers at 50c. a box, 6 for \$2.50, trial size 25c. sent postpaid by FRUIT-A-TIVES Limited, OTTAWA.
