

DIDN'T KNOW WELL DAY FOR 5 YEARS

President of Parent Teachers' Association Says Tanlac Should be Kept in Every Home.

"It certainly is wonderful how quickly the right medicine will get a person to feeling right again," said Mrs. O. J. Wheeler, residing at 1381 Harrison street, Kansas City, Missouri, while discussing the merits of Tanlac, recently.

Mrs. Wheeler is president of the Parent Teachers' Association, Hamilton School District, a prominent member of the Women's Bee Hive Auxiliary of Macleod, also a graduate nurse, and is not only popular socially, but is active in all civic matters and is one of the recognized leaders among women in her community.

When asked if she was willing for her statement regarding Tanlac to be made public, Mrs. Wheeler said:

"Yes, indeed, and you may tell them I am speaking from experience when I say I consider Tanlac by far the best medicine I have ever found. I had not taken it I believe I would still be a sick woman, as I had just tried everything, and I am glad to make a statement that may be of some benefit to others who are trying to find relief.

"Five years ago I received injuries in a fall, which resulted in my health becoming very poor and I could get nothing to do me any good. Then in the Spring of last year I was taken down with the 'flu,' and being already in a weakened run-down condition, the attack was extremely severe on me. I was left with no appetite and my stomach in a worse condition than ever. I could hardly eat anything without suffering intense pain and such a pressure on my heart that I could scarcely breathe. I was losing weight, had the worst sort of headaches and was so dizzy at times I could hardly walk. I also had severe pains in the small of my back, suffered with heartburn, constipation and bloating, and never knew what a well day was.

"I had been reading the testimonials for Tanlac for some time, and, as some of them were given by people of my acquaintance, I concluded to try the medicine myself. Well, it just seemed to suit my case exactly and has acted so differently from other medicines I have used. By the time my first bottle was gone I had a good appetite and the gas had stopped forming on my stomach. Then I bought another bottle, then another and so on and just kept improving until my ailments all disappeared. I am now enjoying better health than I have in five years. In fact, I am feeling unusually strong and well, and all the thanks and gratitude for this wonderful change in my condition belongs to Tanlac. If everybody knew its value as I do, no home would be without it."

Tanlac is sold in St. John by Ross Drug Company and F. W. Munro under the personal direction of a special Tanlac representative. (Adv.)

THE FUNERAL OF LATE BISHOP BARRY HELD YESTERDAY

Chatham, Jan. 22.—The funeral of the late Bishop Barry was held this morning at 10 o'clock from the Cathedral. The splendid edifice was draped in black and purple as mourning for His Lordship. A large congregation was present at which Archbishop McCarthy of Halifax, celebrated pontifical high mass of requiem, assisted by the other church dignitaries. Bishop Henry O'Leary of Charlottetown, preached an eloquent sermon on the life of the late Bishop Barry, taking his text from the words, "Behold, a high priest, who in his day served God."

In the sanctuary were the following: Archbishop of Quebec; Bishop Forbes of Joliet; Bishop Henry J. O'Leary of Charlottetown; Bishop of Antigonish and Bishop LeBlanc of St. John; Monsignor Varrilly, Monsignor O'Keefe of Chatham; Monsignor Doucette of Grand Anse; Monsignor Douglas of St. Basil; Monsignor and representative of bishop-elect Monsignor Leonard of Rimouski; Monsignor Pelletier, rector of the Laurent University, Quebec; and Canon Tanquar, representing the Bishop of Sherbrooke. There were about seventy-five visiting priests present for the occasion.

The pall-bearers were the presidents of six Roman Catholic societies in town: Captain Duncanson, John Jackson, T. J. Aubrey, William Dolan, John Connor and George Thompson.

The service at the grave was conducted by the Rev. Father O'Leary, Monsignor M. A. O'Keefe and Father Hart.

Y. W. P. A. HOLDS ANNUAL MEETING

Decide to Give up Theatre Ushering—Officers Elected—Excellent Reports Presented.

The Young Women's Patriotic Association heard with great regret that its secretary, Miss Madeline Desoyes, declined re-election at the annual meeting held last night in the G. W. Y. A. rooms. Miss Desoyes has been untiring in her efforts for the association. At the meeting she was given a bouquet of roses by the president, Miss Nan Brock, on behalf of the association, and a beautifully worded address of appreciation of her work was read by Mrs. Alice Fairweather. Miss Nan Brock was re-elected president by acclamation. All reports of splendid work done in a wide range of activities during the year. Considerable new business was dealt with.

A telegram of greeting was read from the former president, Miss Jessie Church, now in Calgary.

The treasurer, Miss Helen Short, gave an excellent report and was tendered a vote of thanks. Miss Charlotte Dodge reported for the ushering committee, saying that 105 members had ushered. She announced that ushering at the Imperial would be discontinued after February 7 as it was difficult to get the required number of girls each night. The manager had accepted this decision of the Y. W. P. A. regrettably and said he would endeavor still to have girls usher in the Imperial.

Miss W. Upham, for the Seamen's Mission, reported average weekly receipts of \$150 and practically no profit. Miss Marion Irvine, for the Thrift Society, reported thirty-four meetings, 947 stamps sold. On her motion the \$1,000 which the Y. W. P. A. has injected in Thrift stamps will be kept intact for the purpose of being handed over to the city for a war memorial, when the city decides on the form which its war memorial shall take.

Miss Desoyes, for the entertainment committee, reported ten concerts. Miss A. Farwell reported for the East St. John Hospital visiting and as some of them were given by people of my acquaintance, I concluded to try the medicine myself. Well, it just seemed to suit my case exactly and has acted so differently from other medicines I have used. By the time my first bottle was gone I had a good appetite and the gas had stopped forming on my stomach. Then I bought another bottle, then another and so on and just kept improving until my ailments all disappeared. I am now enjoying better health than I have in five years. In fact, I am feeling unusually strong and well, and all the thanks and gratitude for this wonderful change in my condition belongs to Tanlac. If everybody knew its value as I do, no home would be without it."

The election of officers resulted as follows: President, Miss Nan Brock; first vice-president, Miss Alice Fairweather; second vice-president, Miss C. Dodge; third vice-president, Miss L. Sheldon; secretary, Miss Alward; treasurer, Miss Helen Short; standard bearer, Miss Sarah Collins; executive, the Misses Upham, Desoyes, Hatch, Frink, Dixon, Boyers, Allingham, Bolton, Irvine and Killen. Miss Desoyes, in her report, said ushering had netted \$793 and the treasurer's statement told of total receipts of \$4,899.59 and balance on hand, \$1,961.04.

The secretary's report was submitted by Miss Madeline Desoyes. In it reference was made to the registering of members and the imposing of a membership fee which had made the enrollment total 150 active members and to the loss to the society in the removal of the church of Miss Jessie Church and Miss Helen Church and several members of the executive. The work of the association as recorded in the report told of most praiseworthy accomplishment. Included in that work were the ushering at the Imperial Theatre under the patronage of the Misses Dodge, Dixon and Sheldon, which had brought \$793 to the funds; the work at the Seamen's canteen under the patronage of Miss Upham and the visiting at the East St. John Hospital, which the association supplies with many gifts and which it decorated for Christmas. Record was also given of the assistance which the Y. W. P. A. rendered the Veterans in selling tickets for an entertainment, the part taken by it in the Thrift Stamp campaign, the catering for Ypres anniversary dinner, assistance given on Vimy Ridge Day, the sale for the benefit of the Navy League, catering for the artillery dance, for which services a gift of \$100 was received; the providing of many entertainments in local institutions, assisting in the sale of Victory bonds, by which a commission of \$275 was realized; the distribution of Christmas cheer to nine needy soldiers' families.

The report gave particulars of the many social activities which had been

greatly enjoyed and referred to the finances of the association, which showed a present balance of \$1,961.04; total receipts, \$4,899.59; total expenses, \$3,938.55. The very lengthy list of money gifts by the Y. W. P. A. contained in the report told of a wonderful work of kindness.

In concluding Miss Desoyes said in her report:

"The association was very fortunate in being addressed by several speakers of unusual interest and ability during the year. Among these were Miss Agnes Warner, Mrs. Lawrence, Mrs. Hooper, Miss Matheson, Miss Bell of Rothery, and Capt. Peirce of the Y. M. C. A."

Many testimonials of appreciation have been received by the association in the course of the year. Among them we greatly prize the gift of a check given from the St. George's Society, and also the selection of our president to act as judge of the Soldiers' Day parade; but most of all should be mentioned the thought of a young English sailor who wrote, enclosing a one pound note, to express his appreciation of the kindness shown him by the Y. W. P. A. during his stay in St. John, which was the most enjoyable he had ever experienced. Special mention should be made of the splendid help of our friends at the Old Ladies Home in knitting socks for the sailors, which were distributed at the annual treat given by the Y. W. P. A. Over 200 pairs were knitted altogether.

On the occasion of the sailing of Lady Dorothy Cavendish from this port to England, our friends will take place the Y. W. P. A. extended its best wishes for her happiness, accompanied by a gift of a basket of American beauty roses.

The very carefully prepared report closed with a stirring appeal to avoid the danger of demoralizing patriotism and to remember the motto of the organization, "Not for myself but for God and the King."

The letter received from the grateful sailor to which Miss Desoyes referred was as follows:—

S. S. Messina,
St. John, N. B.,
Dec. 24th.

Dear Madam:—Enclosed please find an English one pound note, which you will be able to change at any bank, as a subscription towards the funds of your association, in appreciation of the efforts of many of your members in making the stay in St. John one of the most enjoyable I have had in any port throughout the world. Wishing your association every success in all the different branches of its laudable work.

Sincerely yours,
HECTOR CAMPBELL,
2nd Engineer S. S. Messina.
The Secretary, Y. W. P. A.

Thin, Nervous People Need Bitro-Phosphate

Weak, thin people—men or women—are nearly always nervous wrecks; thus conclusively proving that thinness, weakness, debility and neurasthenia are almost invariably due to nerve starvation. Feed your nerves and all these symptoms due to nerve starvation will disappear.

Eminent specialists state that one of the best things for the nerves is an organic phosphate known among druggists as Bitro-Phosphate. A five-grain tablet of which should be taken with each meal. Being a genuine nerve builder and not a stimulant or habit-forming drug, Bitro-Phosphate can be safely taken by the weakest and most delicate sufferer, and the results following its use are often simply astonishing.

By strengthening the nerves, weak, tired people regain energy and vigor; thinness and angularity give way to plumpness and curves; sleep returns to the sleepless; confidence and cheerfulness replace debility and gloom; dull eyes become bright and pale, sunken cheeks regain the pink glow of health.

CAUTION:—Bitro-Phosphate, the use of which is inexpensive, also wonderfully promotes the assimilation of food, so much so, that many people report marked gains of weight in a few weeks. Those taking it who do not desire to put on flesh, should use extra care in avoiding fat-producing foods.

CONCERT FOR SEAMEN.

A concert was provided last evening by the W. C. T. U. in the Seamen's Institute. There were three hundred men present and the programme was very much enjoyed. Those taking part were Miss May Alchorne, Miss Stella Fox, Miss Campbell, Miss Wilson, Mrs. Finn, W. Brindle, Mr. Audette, Fred Punter, Central Baptist choir, Miss Beryl Blanche and Miss Myrtle Fox. At the close of the entertainment refreshments were served. Mrs. Morton Smith presided.

NO PROFITEERING WITH ZAM-BUK

Before the war, Zam-Buk was 50c. a box. All during the war, when the cost of production was rapidly advancing, the price of Zam-Buk to the consumer remained the same. Now, with the war over, while some prices continue to soar, Zam-Buk is still 50c. a box. Not only so, but the same high standard of quality has been maintained throughout.

There has been no profiteering in regard to Zam-Buk. For every box you have bought, you have been asked to pay fair value only. In this method of doing business we have secured a larger membership in different countries at a small annual fee. The association was assured the co-operation of the C. P. R. and C. N. R. managements and the city and provincial officials also had expressed themselves pleased with the efforts of the association to bring the attractions of the province to the attention of sportsmen and tourists.

After some discussion it was finally decided to continue the association until the meeting of the All N. B. League, which will be held in June.

The following officers were elected for the coming year: President, N. R. Daprisay; first vice-president, L. P. D. Tilley; second vice-president, J. H. H. W. Rising; members of executive: E. A. Schofield, W. S. Fisher, R. T. Hayes, R. E. Armstrong, H. C. Rankine, E. L. Rising, W. H. C. Mackay, A. L. Gibbs, Thomas P. Regan, J. E. Secord, Frank Ellis, H. V. McKinnon, W. W. McCready, D. W. Ledingham, F. I. McCafferty and W. Harry Allen.

The treasurer reported receipts of \$3,692.23 and expenditures of \$3,294.17, leaving a balance of \$398.06. The report was duly accepted.

It was decided to ask the authorities for the usual grants, and the executive was authorized to arrange for rooms.

Messrs. C. A. Hayes and H. H. Melanson of the C. N. R. were heard with respect to the proposed visit of the National Editors' Association of the United States. The C. N. R. directors had extended to them an invitation to come here on the occasion of the convention in Boston, and they have accepted. The itinerary will be as follows: Arrive at Yarmouth June 7, and from there to Halifax, New Glasgow, Sydney, Moncton, P. E. Island, St. John (June 14), Fredericton, Newcastle, Campbellton and on to Quebec. They would then go to Montreal, Cobalt, Toronto, Niagara Falls and disperse at Windsor. The tourist association decided to do all in its power and to ask other city organizations to join in arrangements for St. John. The question of taking them to Dalhousie on the occasion of the convention of the All N. B. League was considered. Railway representatives were eager to carry out this plan, which would mean a change in the dates for the convention. This will be considered by the association executive, which will consider the railway authorities, and probably will be put into effect.

CHIME OF 48 BELLS TO RING FOR LIBERTY

New Association Plans Musical Tower in Memory of Fighters in the War.

(New York Times.)

Every child in America is to be asked to give at least a penny toward the erection in New York of a victory chime in the tower of a classical library building to commemorate the silent ones in France and the men who risked their all for liberty, but were not called to the utmost sacrifice. Mrs. James Wallace, founder of the Victory Chimes and Carillon Association, 19 West Ninth street, announced yesterday that the organization had been chartered and would begin a campaign for funds during "Music Week," Feb. 1 to 7.

Mrs. Wallace said the plan contemplated a series of forty-eight bells, one for each of the states and a forty-ninth bell, the largest in the world. She said that a carillon differs from an ordinary chime since the last named reproduces only the white notes of the piano, while the carillon rings the whole chromatic scale. The big bell, she said, would be tolled only once in four years at the inauguration of a president or on the occasion of the death of a president. The victory chimes will play three times a day, pealing one a day a victory anthem composed for the occasion, sounding the Star Spangled Banner at sunset and America at noon. It is hoped their music will prove an inspiration to the foreign-born American sculptors who are to be entrusted with the task of designing the bells, each of which is to be adorned in high relief with the bust of eight history-makers chosen by the people of the

RETIREMENT FUND FOR SECRETARIES OF THE Y. M. C. A.

Toronto, Jan. 22.—The president-elect of the Canadian Young Men's Christian Association, Abner Kingman, made his first appearance at the convention at the Toronto Central Y. M. C. A. this morning, opening devotional exercises with an inspiring address. The training of secretaries was discussed.

The increasing of the national club from thirty-seven members to seventy-two was officially adopted.

"I believe it was unfair the way the secretaries have been treated and also ministers. We work them until their usefulness is past and then let them go when it is too late for them to take up any other work," said J. A. Tory, president of the board.

The convention approved of the scheme of the Young Men's Christian Association retirement fund for North America. This fund is to provide a pension for "Y" secretaries and will go into effect when the secretary reaches the age of sixty, though he need not necessarily retire at that age.

A fraternal delegation from the Young Women's Christian Association was welcomed by the president.

ANNUAL MEETING OF THE TOURIST ASSOCIATION

At the annual meeting of the N. B. Tourist Association, held in their rooms in German street last evening, it was decided to carry on the work of the organization until the meeting in June of the All N. B. Tourist and Resources League which the future of the association would be decided.

E. A. Schofield, the president, who occupied the chair, in a short address reviewed the work of the year. He mentioned the benefits derived from magazine articles, photos and moving pictures of the province. He suggested securing a larger membership in different countries at a small annual fee. The association was assured the co-operation of the C. P. R. and C. N. HE DARKENED HIS GRAY HAIR

Tells How He Did It.

Mr. J. A. McCrea, a well known resident of San Francisco, who was called back to Grandpa's account of his white hair, and who darkened it with a home-made mixture, recently made the following statement:

"Any man can prepare a simple mixture at home that will darken gray hair, and make it soft and glossy. To a half-pint of water add 1 ounce of bay rum, a small box of Orley Compound and 1/4 ounce of glycerine.

These ingredients can be bought at any drug store at very little cost. Apply the hair twice a week until the desired shade is obtained. It does not color the scalp, is not sticky or greasy and does not rub off."

ONLY TABLETS MARKED "BAYER" ARE ASPIRIN

Not Aspirin at All without the "Bayer Cross"

For Colds, Pain, Headache, Neuralgia, Toothache, Rheumatism, and for Rheumatism, Lumbago, Sciatica, Neuritis, take Aspirin marked with the name "Bayer" or are not taking Aspirin at all.

Accept only "Bayer Tablets of Aspirin" in an unbroken "Bayer" package which contains complete directions. Then you are getting real Aspirin—the genuine Aspirin prescribed by physicians for over nineteen years. Now made in Canada. Handy tin boxes containing 12 tablets cost but a few cents. Druggists also sell larger "Bayer" packages.

There is only one Aspirin—"Bayer"—You must say "Bayer" Aspirin is the trade mark (registered in Canada) of Bayer Manufacturing of Monrovia, California. While it is well known that Aspirin means Bayer manufacture, to assist the public against imitations, the Tablets of Bayer Company will be stamped with their general trade mark, the "Bayer Cross."

Few Drops When Corns Hurt, Pain Stops! Corns Lift Out

Don't let corns ache twice! Lift any corn or callus off with fingers—Here's magic!

No humming! Any corn, whether hard, soft or between the toes, will loosen right up and lift out, without any pain. This drug is called Freezone and is a compound of ether discovered by a Cincinnati chemist. Ask at any drug store for a small bottle of Freezone, which will cost but a trifle, but is sufficient to rid one's feet of every corn or callus. It is the most marvelous drug known.

Put a few drops directly upon any tender, aching corn or callus. Instantly the soreness disappears and shortly the corn or callus will loosen and can be lifted off with the fingers. Freezone doesn't eat out the corns or calluses but shrivels them without any irritation. Women! Keep Freezone on hand and apply a few drops whenever a corn begins aching. Pain stops, corn goes!
