## DON'T BE WRECKED BY DRINK HABIT

When You Can Spend Three Days at the St. John Neal Institute and Again Become Master of Yourself

If the craving for drink has become so much stronger than the will power that you cannot stop when you desire to do so, or find it necessary to abstain, you are a victim of drink habit and need the Neal Treatment.

Regular drinking of alcoholic liquors results in chronic alcoholic poisoning. Do not deceive yourself with the idea that because you only require one or two drinks a day to make you comfortable and able to transact business that you do not need treatment. The moderate drinker ultimately becomes the regular and excessive drinker, which means loss of everything worth living for.

The Neal Habit Treatment, which is administered at fifty-three Neal Institutes in the United States, eleven in Canada and Australia, will eliminate all alcohol from the system and neutralize its functional effect upon the body tissues, in three days, without the use of painful, dangerous hypodermic injections.

If you are interested in a treatment for yourself or for a relative or friend, call at the

### ARE NOT GUILTY IN HOULTON TRIAL

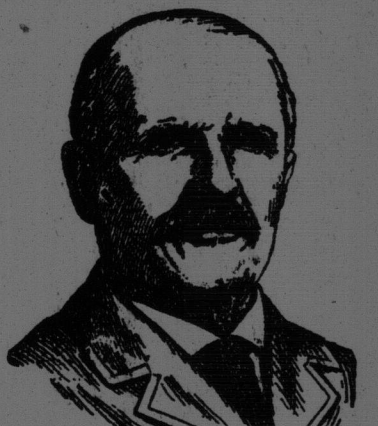

Houlton, Me., Dec. 15.—"What is your verdict?" asked Deputy Clerk of Courts W. B. Clark, as the jury in the Jacobson case called in at 1.46 Saturday afternoon, being out exactly three hours and nineteen minutes. "Not guilty," said Foreman Robinson in a voice that penetrated to the farthest corner of the court room.

Applause that the sheriff was powerless to stop followed the announcement of the verdict which freed Rev. Charles Nelson Emelius, Mrs. Annie Jacobson and Edgar Jacobson, charged with killing August Jacobson at New Sweden, June 12, 1911.

**PRESENTATION TO F. R. MURRAY.** F. R. Murray, who is soon to leave for the west, yesterday received a handsome clock from the officers and teachers of Centenary Church Sunday school. Mr. Murray has been superintendent of the school for nearly seven years.

### How He Escaped An Operation

And Was Completely Cured of Piles of 14 Years' Standing by Dr. Chase's Ointment.

Mr. Chas. Desaulvais. Doctors say that about one person in every four suffers more or less from piles, and who can imagine a more annoying, torturing, disagreeable ailment?

After trying a few treatments without success, and as the ailment grows worse, the medical doctor is consulted. An operation, he says, is necessary. You think of the suffering, expense and risk to life itself, and hesitate before taking such a step.

In many thousands of such cases Dr. Chase's Ointment has made thorough and lasting cures. Read this letter for the proof.

Mr. Charles Desaulvais, a well-known citizen of St. Jean, Quebec, writes:—"For 14 years I suffered from chronic piles, and considered my case very serious. I was treated by a celebrated doctor who could not help me and ordered a surgical operation as the only means of relief."

"However, I decided to try Dr. Chase's Ointment, and obtained great relief from the first box. By the use of three boxes I was entirely cured. This is why it gives me great pleasure to recommend Dr. Chase's Ointment to all who suffer from piles, as a treatment of the greatest value."

Dr. Chase's Ointment, 40 cents a box, all dealers or Edmondson, Bates & Co., Limited, Toronto.

### Dr. de Van's Female Pills

### IN THE CHURCHES

Rev. E. C. Whittaker, in St. John's (Stone) church yesterday morning and in St. Luke's in the evening, told of his missionary labors among the Esquimaux near the mouth of the Mackenzie River. Mission work was commenced nearly twenty years ago, but it was only within the last three years that results had begun to show and now almost one-third of the tribe had embraced Christianity.

J. A. Birmingham, general secretary of the Brotherhood of St. Andrew, gave address on the Esquimaux at the meeting yesterday in St. Jude's, St. John's and St. James' churches. He outlines the aims of the work and urged personal service as the best solution of the problems of the church.

In the monastery of the Good Shepherd yesterday morning a reception was held in honor of His Lordship Bishop Leblanc, who celebrated mass there for the first time. An address of welcome was read by the sisters and His Lordship replied.

### DEATH OF WHITELEW REID

London, Dec. 15.—Whitelew Reid, the American ambassador to Great Britain, died at his London residence, Dorchester House, shortly after noon today from pulmonary oedema. The end was quite peaceful. Mrs. Reid and their daughter, Miss John Hubert Ward, were at the bedside.

The ambassador had been unconscious since 9 o'clock in the morning, and at intervals during the previous twenty-four hours he had been slightly delirious as a result of the drugs administered to induce sleep. Sir Thomas Barlow, physician to the king, who was called in last week when Mr. Reid's illness became acute, and his regular physician, Dr. William Hale Will, issued the following bulletin at 12.10 p. m.:

"It was hoped that he might rally, as no pneumonic symptoms had appeared. With difficulty the paroxysms of asthma were got under control, but this morning the exhaustion became extreme, and he died from pulmonary oedema at 12.10 p. m."

Hon. John Hubert Ward sent word to the king and queen immediately upon the death occurring, and the king sent a query with a message of condolence. The body will be sent home and will probably be interred in Sleepy Hollow. It is expected that the government will place a British warship at the disposal of Mrs. Reid for the conveyance of her husband's body to the United States.

Official Washington was sorely grieved at the news of the death. President Taft sent a message of sorrow to Mrs. Reid and replied to a cable of condolence from King George.

### ST. JOHN'S BRIGHT OUTLOOK

Christopher Morrison, who for three years has been located in different parts of western Canada, has returned home to spend Christmas with his parents, Mr. and Mrs. Alexander Morrison, of Princess street. Mr. Morrison has been practically all over the west and says that there are excellent opportunities there, but he thinks that at present no city has any brighter prospects than St. John. At various times, Mr. Morrison said, he has read in western newspapers about the great advance being made here in the commercial and business life and of the Courtenay Bay work and the new industries that are springing up, but prepared as he was for a change in the city, he was greatly surprised when he arrived. After three months' vacation, Mr. Morrison will return to the west.

### WILLIAM ALLEN BLACK

He is general manager of the Ogilvie Milling Company. He has recently been elected a director in the Molson's Bank.

### SUPPORT THE PROJECT

At the meeting of the Brotherhood of St. David's church yesterday afternoon, Work and Play as Prevention of Crime were discussed. After a general discussion by Rev. Mr. MacKeigan, A. W. Robb, George Scott, A. M. Belding, Charles Robinson and others, it was decided to petition the school board to grant to the Playgrounds Association the use of a school building in the evening, to demonstrate social centre work, and to ask all other brotherhoods in the city to take similar action.

When all the habits of life are suddenly rent a sunder they are like a rope cut in two—they will never be the same again.
