Is intended as an invitation for you to come to our store and see what we have inside for the coming season.

OF COURSE

everybody gets in fresh goods at this season of the year, and it is very nearly like "everybody's crowd is blackest." But if, when you come to our store, we can show you in our clothes the best ready-for-service garments you have ever seen—that they fit better than any others, which can be easily proven by a "try-on," and if, in addition to this, we give you a wide assortment and a double guarantee of excellence, there is hardly anything more to be said along the line of safety.

And when we sell you, we know we will bring you back again for another garment of the same make.

COME AND SEE.

PRICES are varied and the stock is large, but all are fine values.

Greetings—On account of some legal trouble in the deal between H. McGrattan & Sons and Taylor, Manning & Co., which will cause some delay, the Messrs. McGrattan started their own mill on Monday, and will continue running it for the present. This makes all the mills now in full blast except Taylor, Manning & Co's. and with the Messrs. McGrattan & Sons' mill resumed work, times should be some improved here this season, as work seems to be coming in freely to all the mills, and prospects are favorable for a busy season.
