A YOUNG LADY'S ESCAPE.

The Parents Feared She Was Going Into Weeks at a time racked her body and made Consumption—Brought Back From the life a burden. She would at times go down

From the Simcoe Reformer. Miss Lizzie Bentley is the daughter of Mr. Waterford, and coming to the ears of the Reformer, we felt more than a passing interest

England, to such great distances have the proprojectors extended the sphere of their useful-ness.

Came away from our interview with Miss Bentley fully satisfied that we now knew of

It is of course the common idea that the our own knowledge of at least one marvelage of miracles has long passed, and thousands of people who would not relish a classioulder and a smile of incredulity, of cases eter that no court or jury in the land would estion it. Take one of the best known and aiking instances of the efficacy of Dr. Wilams' Pink Pills. We refer to the case of large a city as Hamilton. He was paid by the Royal Templars of Temperance the sum of one thousand dollars, that being the sum paid Dr. Williams Pink Pills are manufactured by that institution to its members who are by the Dr. Williams' Medicine Co., Brockt second-hand, the Toronto Globe sent a reresentative to Hamilton. The result of mail from Dr. Williams' Medicine Co., from the result of mail from Dr. Williams' Medicine Co., from this messa eseritative distribution was the publication by either address. the Globe of an article in which every claim made by Mr. Marshall and the proprietors of Dr. Williams' Pink Pills was fully conceded, and the Hamilton miracle unreservedly endorsed by this great Canadian newspaper.

In a way it reminds us of the story of the great lawyer who attended a prayer meeting, His own views of religion were of the most hetrodox character. He went to be amused; he changed. He said; I heard these men whose npon their feet and tell what religion had tivity.

The man or woman who will give an hour's all live stock. Graining done in Walnut, Cherry, Mahog-any, Oak, Satin Wood, Hungarian Ash, Rose liam's Medicine Co. have to submit, must, if amelioration of human ailments.

> ease that has come under our notice. Mr. Ira Bentley is widely known in this district, where he has carried on business as a pump of life, and windmill manufacturer for years. He formerly lived in Tilsonburg, afterwards in Simcoe and now resides in the village o Waterford. A representative of the Reformer Mr. Bentley as to his daughter's recovery. horses' legs are said to be useful in draw-For be it understood this journal is as little ing waste matter off from the animal's dusk settle down, and the dew fall on her prone to be carried away by fair spoken or system. In England these knots are bright golden hair and white dress; still written words as the rest of humanity, and as called chestnuts. we had heard that Miss Bently's cure was due | Common concentrated lye that is sold to the use of Dr. Williams' Pink Pills, we sor washing and scrubbing is as good as were anxious to investigate, that we might add our personal testimony, if possible, to the many who have already spoken and written on behalf this great Canadian remedy. The result of the writer's journey to Waterford was eminently satisfactory. We failed in Constitution in a horse is like constitution in a horse is like constitution. prised to be told by her that it was she who hard driving or overfeeding. case of Miss Bentley that we had gone to Waterford. In answer to our enquiries Mrs An Interesting Story from Nor-folk County.

Bentley told us that her eldest daughter, Lizzie, was nineteen years of age, that from her infancy she had been a sufferer and that General Debility and Chronic
Neuralgia Made Miss Lizzie
Bentley's Life Miserable.

Her chances of growing to womanhood had
never been considered good. She early became a victim of acute neuralgia, that for life a burden. She would at times go down

to the very-brink of the grave; she was in appearance a mere shadow, thin, pale and weak, unable to do anything. After finding how Ira Bentley, of Waterford, a former weil. Pink Pills had benefitted her mother she too known resident of Simcoe. It is well known began to use them. No change from sickness that Miss Bentley was long and seriously ill, to health could have been more rapid, no cure and it was recently reported that she had more complete. You can say, Mrs Bently fully regained her health and strength. Her said to us, she is a well girl, that Dr. Wilcase has excited considerable interest in liams' Pink Pills cored her and we are willing

Desirous of seeing Miss Bentley herself, we in the matter for the reason that for a period of nearly three years, there have been from time to time published in our columns, particulars of alleged cures of various serious cases of illness that have been first that the first that have been first that the first that have been first that the first that have been first that have been first that the first that have been first that the first that have been first that the fir of illness that have been effected through the use of a remedy known as Dr. Williams' Pink Pills for Pale People. The scenes of these aglow with ruddy health, was sufficient. The cures have been located in widery scattered days of miracles were not gone. The happy portions of of the country, it might almost, be subject of one stood before us. Her story said of the globe, for some of these stories was a repetition of the one told us by her come from the United States and some from England, to such great distances have the pro-
