

SECTION III.

COURSE OF STUDY IN ARTS.

As previously stated, the Lectures in University College are given on the subjects appointed by the University of Toronto for Candidates for the Degree of B.A.

The subjects of the Pass and Honor Courses are hereafter specified in detail, (Section VI.); the following, however, is a Synopsis of the Courses, with the options and alternatives allowed :—

PASS COURSE.

- In Classics..... } The subjects of all the four years must be taken.
- In Mathematics and Natural Philosophy.... } The subjects of the First, Second, and Final Years must be taken. In the Third Year either this subject or that of Mental and Moral Science is required.
- In English } The subjects of the First, Third, and Final Years must be taken.
- In History } The subjects of the Second and Third Years must be taken.
- In French or German } Each Undergraduate must take in (1) French, or (2) German, the subjects as specified under the headings of First Year and Second Year. The subjects of the first of these two years may be taken in either the first or the second year of the Course, and they must be taken in consecutive years, unless the Senate shall, upon application founded on special circumstances, permit an interval of two years to elapse between the examinations of these years. (Oriental Languages may be accepted as an alternative.)
- In Natural Sciences } Each Undergraduate must take in consecutive years the subjects in (1) Chemistry, or (2) Biology, or (3) Mineralogy and Geology, of which the details are specified under the headings of First Year and Second Year; but he may defer the First Year's subjects until the Third Year of the Course.
- In Mental and Moral Science & Civil Polity. } The subjects of the Second and Final Years must be taken. In the Third Year either this Department or that of Mathematics must be taken.
