When your motor loses power, when it knocks, bucks and overleats, don't monkey with the carburetor. Send for a cas of Labricant Carbon Remover and pour two to four tablespoonaful into each spark plug hole. Follow directions and the motor will do the rest. It works like a cathartic. You will see the rest like the classed earth plure, and you will see the classed earth plure, and you will proof in the cleaned apark plugs, and you will get more power and more miles out of every gallon of gasoline. Every can guaranteed.

Saskatchewan

Scott, Sask., April 5, 1919

Minutes of a regular meeting of the Rural Municipal Council of Tramping Lake No. 380 held on above date in the Council Chamber of the Town Hall.

Minutes of the War whereas association were present in large numbers and they again wheel their protest and a resolution which was finally quantimously carried, was finally quantimously carried, was finally quantimously carried to the meeting by Ln. C. A. History and Captain J. L. Bay-and, president of the G.W.W. A.

At the meeting held later their were delegates appointed to place the local situation helice the land association in Regima. Copies of the war whereas association were present in large numbers and they again wheel their bear there is response, and J. A. Bawman, head of the bureau, said the meeting by Ln. C. A. History and Captain J. L. Bay-and, president of the G.W.W. A.

At the meeting held later their were delegates appointed to place the land association in Regima. Copies of the war whereas association were present in large numbers and they again wheel their bian tiers is response, and J. A. Bawman, head of the bureau, said the meeting by Ln. C. A. History and Captain J. L. Bay-and, president of the G.W.W. A.

At the meeting held later their were delegated as appointed to place the land association in Regima. Copies of the war whereas association were present in large numbers and they again wheel their bian there is response, and J. A. Bawman, head of the bureau, said the menting that the most experienced men would not only give better service to every one concerned, but they would also be instrumental in saving the board considerable money cach year.

At the meeting held later theirs are gnod, Mr. Bawman an anomesod, and farmers are paying for farm help than there is response, and J. A. Bawman, head of the bureau, said the menting in the cach would not only give better service.

Werking conditions on the farm help the deal of the cach was a subject to the menting in a cach provided to the menting the bar the Members present: Reeve Carson, \$2185.72, car oats Take draft the resolution were sent to Hom.
