

CORRESPONDENTS' CORNER

PRESENTATION TO
REV. FATHER LOCHARY
AT HILLSBOROUGH

Albert Co. Priest who is going with Overseas forces-recipient of Wrist Watch and address from congregation.

Hillsborough, N. B., Nov. 4.—At the service on Sunday morning last in St. Aloysius church, Rev. Father Lochary, who has been officiating priest for Albert County Catholic churches for eight years, gave his farewell address to a large congregation, and at the close of the service was made the recipient of a gift, a very beautiful wrist watch, which was presented by Mr. Josh Ward on behalf of the church and congregation, accompanied by the following address:

Reverend and Dear Father—Little did we think when you celebrated mass on the third Sunday of September, that when you next came to give us your instruction and advice for the last time. Least of all did we think you would be taken from us to be chaplain of the Overseas Expeditionary force.

Although you have not been associated with us as intimately as some of our missions, it does not lessen the grief we feel, the loss we deplore over our beloved pastor, whose saintliness of life, whose eloquence, whose executive ability has endeared you to all, irrespective of class or creed, during your pastorate of eight years among us.

The condition in which the parish was when you resumed charge, the struggles, and hardships you endured, particularly the first few years of work, would fill a volume, and would show the reader how immense were the difficulties, how great were the obstacles, and how by the grace of God you overcame them. Thus the first chapter of your life is closed.

You now go forth to fight. To inspire the soldier to fight, to fight for a good cause, and if necessary to die, and we will ever pray that the God who has preserved you and helped you over all the thorny paths you have trod, will still keep and bring you back safe and well to your native land, where we trust you will be spared many years to be a consolation to your bishop and an example to your brother priests, and a devoted pastor to the people who may be entrusted by God to your care and keeping.

In closing we would ask you to accept the accompanying gift as a very small token of our deep love; and we trust this little timepiece may be a pleasant companion on your noble journey, and a slight evidence of the very great esteem in which you are held by the members of St. Aloysius church, Hillsborough, N. B.

Although taken by surprise, Father Lochary replied in a very appreciative manner.

A SUIT PENDING.

The Globe last evening published the following: "H. L. Geros, solicitor for David Russell, has entered action against Hon. Wm. Pugsley. The suit, in which the writ has already been served, is understood to be for \$375,000. This amount, it is said, Mr. Russell claims is due him by Mr. Pugsley in connection with Northwest land transactions in which they and other parties were interested. Messrs. McLean and Sinclair are solicitors for Hon. Mr. Pugsley. News that papers in this case have actually been served, has created much interest because of reports that trial of the cause may throw light on some political as well as business deals, as well as on the alleged conspiracy to have Mr. Russell incarcerated in an insane institution. Rumor says the Hon. Mr. Pugsley has on different occasions refused to listen to suggestions for a settlement of Mr. Russell's claim, declaring there was no liability on his part."

Expression from
Sir James Grant

Opinion of Sir James Grant, M. D., K. C. M. G., expressed at the meeting of the Medical Council held in Toronto on July 5th, 1912.

In connection with the campaign against liquor, Sir James made a plea for the working classes. While it was, he said, an established fact that the use of strong intoxicating, alcoholic beverages, such as whiskey and brandy, had done much to promote tuberculosis by lowering the vitality of the persons who took them, and that while ale were forms of liquid beefsteak, which undoubtedly imparted power and strength to the system. He could not see why the laboring man should be deprived of this useful stimulant, and argued that care ought to be shown in legislating against liquor, thus to protect the working classes.

READY'S PALE ALE
READY'S EXTRA STOUT

are all favorites of the working classes. They are pure, wholesome and health-giving.

PUBLIC SALE.

The N. J. Lallood's stock of dry goods, shoes, etc., at 282 Brussels street is being disposed of at a big sacrifice. The store has been arranged in true western style. Each line of merchandise displayed on bargain tables, bearing the sale price of each particular line, and marked for quick selling. An extra force of salespeople are engaged to assure prompt attention to all.

The sale continues for ten days. Each day new lines were unable to properly display at the outset of the sale will be added throughout this big cut price event.

Judging from the number of bargain hunters, and number of parcels leaving this store, the sale is proving itself a genuine outburst.

The funeral of Mrs. Margaret Loom took place yesterday afternoon at half-past two o'clock from her late residence, Murray's Mill, to St. Peter's church, where the burial service was read by Rev. Peter O'Hare, C. S. S. R. The service was largely attended. Relatives bore the pall. The interment was in the old Catholic cemetery.

MID-DAY RECRUITING.
A considerable crowd assembled at Market Square yesterday morning at the recruiting meeting conducted by Bishop Richardson and Sergeant Knight. His Lordship stated that New Brunswick could send many more men to the front, and the utmost sacrifice would be necessary before victory was won. He regretted that his own responsibility prevented him from going, but he was doing everything in his power to aid the cause. He paid a glowing tribute to Sergeant Knight and his work in recruiting. Sergeant Knight made his usual eloquent plea for men and gave directions to all who wished to enlist. The roll, he said, had amounted to twenty men a day this week and he urged the men of St. John to keep up the average.

During the meeting three cheers were given by the crowd to Lieut. Frank Tingley, who was wounded at the front, and is now recuperating preparatory to going back. The 104th band was present and provided music during the meeting.
