St. STEPHEN, Dec. 30. - Lyman Spencer, aged about 22 years, be-R, met with an accident on Thursday which resulted in the amputation of one leg about four inches below the knee. It seems Spencer was on the excursion train which left Calais for Washington Junction, and on arrival at Unionville station, a short distance from Cherrystation, a short distance from Cherry-field, the train slowed up, he thinking they would stop jumped off. As the train did not stop he attempted to board again when he fell under the car with above result. He was taken to Cherry-field where physicians amoutated the field where physicians amputated the leg and where he is being tenderly cared for at a private house in that town. This accident marred the pleasure of those on secident marred the pleasure of those on board the excursion as he is a fine young man and a general favorite with he train men.
