Nassau street, New York, Monday, was shot by an unknown assassin. The ball lodged in his side, inflicting a dangerous wound. Coffin was an active ward politi-cian, and it is supposed the shot was fired by one of his political opponents. At Whitby, Ont., the grand jury, in making their presentment, referred in strong terms to the case of a little boy, only eight years old, who had been com-mitted to gaol by a magistrate in Brock for one month, in default of paying a fine f \$2, and his Lordship, in discharging them, animadverted in strong terms upon the exceptional conduct of the magistrate in Tupper, will doubtless carry the Cabinet into proposing mild protective measures We have reason to believe, from confithe measures to be urged on Parliament for the encouragement of the infant

manufactures of Canada. Some members of the Cabinet are averse to the new policy on the ground of its unpopularity, others are opposed to committing

liament, but certain measures will be prepared and held in the background until the Parliamentary pulse has been carefully felt. The Ministers feel that rashness might be fatal to their mainte-

in opposition to the wishes of the repreentatives of the people. If Parliament

> the point of death. General Grant is unfortunate in his.

General Grant is unfortunate in his brothers-in-law. Judge Dent, who prac-tises law before the President, is now out-done by Gen. F. T. Bent, who sells his in-fluence with foreign countries for contin-gent fews. In a suit between two claim agents in Washington, in reference to feed for prosecuting a claim, a contract has been put in evidence which sets forth the following facts: "That F. T. Dent, in con-sideration of fifteen per cent., agrees to prosecute this claim against the British Government, and to use his influence for its speedy settlement." A guarantee from a responsible party accompanies the con-tract. The Levant Heraid says: Gen. Adye, C. , B, having accomplished his tour of inmore revenue. If this can be obtained by a judicious increase of duties on manufactured articles, and the country made to believe that protection of home industry, not increase of revenue, is the object, it will be a rather politic stroke of statesmanship. It is certain that the

tatives with an unequivocal expression of opinion on the wisdom of the policy.

Few members of Parliament will vote
