STILL MORE TESTIMONY FROM LANCASHIRE.

Copy of a letter from Mr. J. L. RYDER, Chemist, Preston, dated Dec. 5, 1863.

DEAR SIR,—I have within the last few months sold a great many boxes of your invaluable WIND PILLS, and I have heard them praised very much. In fact, every box that I have sold yet, has been found to answer what the Pills profess to do. One case in particular, the Lodge-keeper at the Preston Jail, was, and had been suffering a great deal from INDIGESTION, WIND ON THE STOMACH, &c., for a great many years. A relation of mine, who had tried the Pills, advised him to try a box, and from that one box he found more relief, more benefit, than from any thing he had tried for years, and he is now never without a supply in his house. I think if they were only more widely known they would do a great deal of good, and save many Doctor's Bills.

To Mr. Woodcock.

I am, dear Sir, yours &c.,
JOHN LEWIS RYDER.

They are sold by all respectable Medicine vendors throughout the kingdom, in Boxes, at 1s. 1½d, 2s. 9d., and 4s. 6d. each; or, should difficulty occur, enclose 14, 33, or 54 Stamps, according to size, to Page D, Woodcock, Lincoln, and they will be sent free by return of post.
