Ottawa. July 31st. 1954.

Sir:-

 In reference to your letter of the 18th. inst. regarding wood supply for the Cambridge Reserve Indians, you have omitted to return the sketch plan sent you in previous letter, and I have therefore to ask you to kindly return this as soon as possible, taking care however to show clearly the location of the area it is proposed to acquire and the approx. acreage. This should include the additional portion referred to as the Strong property.

You should also request Mr. Brown to submit in writing an offer to sell the cutting rights on this described property for a term of 5 years for the sum of \$500.00 and he should also submit some documentary proof that he is the actual owner of the Strong lot.

Yours very truly,

W.O. Bligh Esq.
