LILIAN, THE HEIRESS.

perfect without them.' "I don't believe you," indignantly

⁴¹ don't believe you," indignantly : ⁴² and at all events I have a horrible tem-poke and lit the lamps, so that the room looks quite seductive. Miss Chesney, glancing doubtfully round, acknowledges so much, and prepares to give in. ⁴⁴ I don't believe you," indignantly : ⁴⁷ and at all events I have a horrible tem-per, and I defy you to say you like *thatt''* triamphantly. ⁴⁷ don't believe you," indignantly : ⁴⁷ and it all events I have a horrible tem-per, and I defy you to say you like *thatt''* triamphantly. ⁴⁷ don't wourfully. "The hardest the unkinder you are to me the more I love you." ⁴⁷ You have been looking dowright miserable for days. I hope sincerely you It is extremely rude of you to keep on the settement is the settement in the settement is the settement in the settement is a settement in the settement is the settement in the settement is a settement in the settement is a settement in the of the settement is a settement in the of the settement is a settement in the settement is a settement

miserable for days. I hope sincerely you are not going melanoholy mad, but I have my doubts of it. What is the matter with you, Archie? You used to "Look here, Lilian." says Archie

matter with you, Archie? You used to to be quite a charming companion, but now you are very much the reverse. Sometimes, when with you, your appear ance is so dejected that if I smile I feel absolutely heartless. Do try to cheer on there's a good boy." (Certainly not," with suspicious haste.

up, there's a good boy." "A fellow can't always be simpering, especially when he is wretched," retorts he, moodily. "Why? Do you low "Then I shall wait then ask you again." "Ghen and you again." "Certainly not," with suspicious haste. "Then I shall wait another while, and

"Then is hall wait another while, and the moodly.
"Then don't be wretched. That is the very thing to which I object. You are the very last man in the world who ought to suffer from the blues. Anything wrong with you?"
"Everything. I lores a woman who doesn't case in the very least for me."
"Oh, of that is what you have been doing in London, is it ?" says Lilian, after a bart parse that makes her word still most impressive. I containly did think of it."
"I wont," doggedly: "I've often heard I should learn to hate you. I should indeed; and then what would you do? Thick of it."
"I wont," doggedly: "I've often heard I should been to hate you. I should indeed; and then what would you do? Thick of it."
"I wont," doggedly: "I've often heard I should been to hate you. I should indeed; and then what would you do? Thick of it."
"I wont," doggedly: "I've often heard I should been to hate you. I should indeed is and then what would you do? Thick of it."
"I wont," doggedly: "I've often heard I should been to hat you looked rather blighted when you did come. I doubt you, you so long as you are not engaged to any other man."
"I love you, Lilian, and only you," returns he, reproachfully. "No, do not turn from me; let me plead my cause none more, Darling, lhave indeed triet to live throw. Lilian, be merciful; say something kind to me."
"You promised me," says Lilian, may good. Seeing the expression of tender regret that softens her face, Architald falls suddenly upon his knees heards, warmurus, in deep agitation: "My own, my dearest, is there no pity in our kind heart for me?"
"A this mot unlacky moment Sir Guy

you reject me again you will drive me to destruction. Lilian, be merciful; say "You promised me," aya Lilian, nervously, shoring away from his "never to speak on this subject again, "and the speak on this subject again, "and the speak on this subject again, "and between her and the fire, so that the rich blood shows through the closed fingers of it. "But I have common senses, the was thing you lack." "Four are i the one thing I lack," "Four are i the one thing I lack," "Four are i the one thing I lack," "fore speak on the land kiss-ing it fataously. "Without you I lack crewything. Bolord, must I learn to look spon yon as my ourse? Give me, entreat you, one little word of encourage-maths, if only one i, starve for want of it If you only knew how I have clung for months and am still elinging to the bares statiow of a hops you would think twice statiow of a hops you would think twice at the rich warn crimson that has natcled in her checks, Chetwood would have beaten a precipitous retreat, but is prevented by Taffy's following on his heels somewhat noisily. "It is a charming night, Lil," says that yong man, with his usual *bohommic.* "Would you marry a woman who deen "Would you marry a woman who deen and I have your word for that." "I would "--cagerly_-"when that wo-main assures me she does not love anothe and I have your word for that." "I hould have died of despin had the NOT PERRY DAVIS' "OR 185 bbls "Harvest Moon; Ladies' Melton Cloths at ..
