

### The HUB Mall . . .

A unique building designed after the Galleria in Milan, Italy. **HUB Mall** is a shopping and housing complex located on the U of A campus. Contrary to popular belief, the HUB is a public shopping Mall. Everybody is welcome to come and shop or just browse around and enjoy an atmosphere exclusive to a University environment.

**HUB Mall** has over 40 shops and services. An interesting array of unique fashion boutiques and tempting food outlets. From fine gourmet coffee by the cup or pound to the best burgers around. **HUB Mall** can satisfy your clothing needs . . . from lingerie to blue jeans to designer evening wear. Need a calculator, a raquetball, a guitar . . . a trip to Hawaii?

**HUB Mall** will not overwhelm you with store upon store BUT interest you with an exclusivity all its own.

**Big Special Men's Suits \$8.75**

Regular 12.50 and 15.00

An extraordinary low price for such Suits of Supreme quality, supported by the top notch of style.

This price should quickly clear them out as we only have 125 Suits in all.

How we come to sell such stylish suits at this price? A tempting offer from a manufacturer who was overstocked, and which our clothing buyer closed with, on his recent trip to Eastern markets. We bought them for cash and they are to be sold for cash. They are all smart nobby tweeds cut in all the latest single breasted styles. Worth up to \$15 on sale at
