Work in

Germany

If you can't get a summer job in Canada, try Germany. Student Employment Europe (SEE) has just completed arrangements to have 5,000 Canadian students absorbed into the German Labour market next summer.

Applicants can be enrolled in universities, colleges, technical, trade and high schools. They must be between the ages of 18 and 30, and upon acceptance are guaranteed up to three months employment in Germany. Wages are tax free and at a par with German nationals. A wide range of jobs is offered, for both men and women, and a round trip

Applicants must reach SEE not 'America's only radical, ex- later than December 10, 1970.
