

Lake 15 April 1828.

Sir,
 You will be pleased to sus-
 pend the Execution of the Order
 annexed to you in my letter of
 the 12 inst: directing you to repair
 to the Grand River to make the
 payments to the Six Nations,
 The Commander of the Troops ap-
 pearing to be of Opinion, as
 it has been so long delayed, that
 it had now better be carried
 into effect, under my orders
 and in my presence.

You will here find us
 to have every thing in readiness
 on my arrival in Upper Canada
 for which I cannot yet with
 certainty name a day, not having
 perfectly recovered from a slight
 indisposition which has confined
 me for some time past.

I shall probably have occasion
 to request you to visit me at

Dear Madam Sirs.

Yours
 Sir

Kingston
