VANCOUVER, B. C., August 11th 1919

Hon^{ble} Mr. L. Mackenzie King,
House of Commons,
Ottawa.

Dear Mr. King,

I desire to heartily congratulate you on the high honour you have recently received and I look forward with confidence to be able, to-morrow, congratulate you again, as Premier of Canada.

I am one of those, who, with two years in the military service, felt it my duty to vote for Conscription at the last election and I make no apology for doing so but I am sure you will use your best endeavors to have a united Liberal party, now that the war is over.

This can be accomplished without difficulty if wise counsels on both sides prevail, and I may say further that your election as leader will be a potent factor in producing this result.

I am in Vancouver for a few weeks, in connection with the organization of an operating branch of this Company here. Again congratulating you wishing you every success I remain with warm personal regards

E. STEWART

Yours sincerely
E. Stewart
