Dear Mr. Meighen,

Many thanks for your letter of December 29th regarding Mr. John Loudon of London.

He has not yet called on us, but I need hardly say that we shall do all we can for him when he applies to us.

I would like to take this opportunity of thanking you for taking the trouble of writing to us in connection with this matter.

I hope you and yours are flourishing. Please accept my best wishes for the New Year.

Yours sincerely,

P. M. Meighen

The Rt. Hon. Arthur Meighen,
