Ottawa Jan 29, 1908.

Sir,-

In accordance with your request of the 28th instant three blank field books and a number of account forms have been sent to you by mail in a separate parcel.

The copy of the field-notes of the township referred to (Commanda) for the Department are to be prepared in the said book. The valuations, of each lot separately, are also to be entered in one of these books; that is to say one book should be used for valuations only. A copy of your report should be entered at the end of the filed notes. Your account should be forwarded in duplicate.

Your obedient servant

L. L. L.
Secretary.
