

CITY OF HAMILTON DIRECTORY,

1880-81.

The Seventh Annual Edition of our Hamilton Directory will be issued in January, 1880, and will, in addition to the usual contents, contain a history of the City to the present time. We respectfully ask the co-operation of our fellow citizens to make this essentially local work as thorough and complete in all its details as it is possible for a work of this nature to be. Any errors, and especially in the orthography of proper names, which may have been discovered in former editions, will be noticed if sent per postal card to our address. We pledge ourselves to use every exertion in our power to make the work conducive to the interests of the City, and as we are ratepayers and permanent residents here, we have a personal interest, as well as a pecuniary one, in perfecting the work as much as possible. We return our thanks to our patrons, and respectfully solicit a continuance of their support.
