Prepaid Stock (sold at \$50 per share) yields a guaranteed dividend of six per cent. per annum, payable semi-annually.

There is no safer investment, nor any as profitable, with equal security.

# LOANS

THE EQUITABLE loans its funds on the monthly re-payment system (interest and principal together), a systematic way of gradually but surely getting clear of your mortgage. A loan of \$1000 is entirely wiped out by 96 monthly payments of \$15. Easier than struggling with a straight mortgage. If you have good security, and wish to borrow, write us.
