Whether or not this will materialize remains to be seen. It depends very much upon the weather conditions prevailing there, which so far, have not been very favorable. The matrix means the heat set of the set of t making season in Australasia has just started

started. The receipts of butter from the factor-tiese is keeping up well, the total for this week amounting to over 5000 boxes. There is a decidedly easier feeling prevailing this west as advices from the other side report a big decline in prices there, and there is a propert of a large quantity of Canadian butter being shipped back here, which would tend to hold prices down

A Sugar Beet Growers' Annual is some-thing new among agricultural publica-tions, and the one just published by the American Sugar Industry and Beet Sugar American Sugar Industry and Beet Sugar (Jametic of Ghaego ought to find a hearty welcome among farmers who raise beets for sugar. There are about one hundred thousand such families in the United States, and they surely descree a litera-ture dealing with a topic of so much direct interest to themselves. This hook direct sentially practical and helpful to the sentially practical and helpful to direct interest to themselves. This book is essentially practical and helpful to growers, though it quotes many scientific authorities where it deals with purely technical matters. It is inspired, more-over, with a spirit of propaganda and enthusiasm for the sugar industry which makes it, in part, at least, very inter-esting reading. Frice in paper covers, 76 cents; scioth, 51:36, postgald.
