MITTANNIA BAY, Dec. 27—As sleighing is all gone, the market is small. Potatoes are the policy of the policy. Side to 9 for light; genee, 10:0, unleasy, 10:0 to 9 for light; genee, 10:0, unleasy, 10:0,

HASTINGS CO., ONT.

CHAPMAN, Jan. 4.—The weather contluses mild. with very little snow. We have not had any aleighing yet, but there has been much rain, which caused much good demand, and sell for root parts at sampler are being shipped to the West. Bloats are cuite plentful, and sell somewhat lower than last year. Hay is worth from \$12 to \$15 a ton.—H. S. T.

\*\*PETREMBORO. ONT.

PETERBORO, ONT.

PETERBORO, ONT.

LASSWADE, Jan. 1—Iditle enow makes
times dull, as this part of the county is
quite a lumbering point. The weather is
collect, and we hope to get more snow,
shool meetings and municipal elections
are the order of the day fust now. Potatess are rather scarce. They are quoted
at \$1.50 a bag; hay, \$12; oats, \$60c; butter,
12. to \$50c—M. W. \$12; oats, \$60c; butter,
12. to \$50c—M.

To So-W May, Sil; oats, 80c; butter.

To 10 50-W May T. CO. 90T.

PAIAKLAND, Jan. 4-We are bury getting in the vinter's supply of wood. We have had no sleighing, but the weather is much colder than during the last of December. Hay is very dear, bringing from 15 to \$18. Starw is scarce, and much of the stock is bedded very scandily. Many supply the start of the stock is bedded very scandily. Many successful to the start of the star OXFORD CO., ONT.

OXFORD CO., ONT.

WOODSTOCK, Jon 2.—We are having vary changeable weather. It has been vary cold for a couple of days. We have no sleighing, but very good wheeling. Sany of the farmers are straid of being short of feed. Cattle are doing well. A number are milking all winter. The price of milk is high; a great deal of it goes to Toronto. Most of it will probably go to Toronto. Most of it will probably so \$1.00 to \$

ELGIN CO., ONT.

PLOIN CO., ONT.

PAYNES MILLS, Jan. 4—The hay present are going their rounds, and the manager says: "We find hay quite plentful, laving at present about 100 tons to press. Bis is retailed in St. Thomsa at ST to a did a bale per minute, the bales produced to the press. The present about 100 tons to press. The present about 200 minutes, and use about two galaxies about 200 tons to the press. The present about 200 minutes, and use about two galaxies about 200 minutes, and use about two galaxies about 200 minutes. The present about 200 minutes 200 minutes about 200 minutes 200 minutes about 200 minutes 200 minut

HEPWORTH, Jan. 2.—We have just passed through a very mild December, but it has again turned cold. Sleighs are run-
