

PROTECTION FROM LIGHTNING

is quite a consideration now when there are so many barns and houses in the country struck by lightning every year. Do you know that if you had a metal roof on your house or barn that it would be impossible for lightning to injure them? Then, too, our **Galvanized Metal Roofs** are fireproof, storm-proof, and will easily last fifty years without attention. Chaff and dirt from the wind stackers will not affect our roofing.

Cut of Mr. R. J. Nagle's barn at Mt. Bridges, Ontario.

Send him a postal asking his experience with our roofing.

If you are building or repairing barn, house or shed, you should have a copy of our handsomely-illustrated catalogue No. 15, which describes fully our metal goods for fireproofing buildings, and is sent **free** upon request.

The Metal Shingle & Siding Co., Ltd.,
PRESTON, ONTARIO.

American Fence Talks

AMERICAN FENCE is standard of the world. More miles of it are in use than all other fences combined.

It is made of steel that is exactly fitted for it. A woven-wire fence can be made of wire too soft or too hard.

It must be exactly right to render good service.

The structure of the American Fence is perfect. It is built of big, solid, galvanized wires, all No. 9 gauge if you prefer it, with the upright or stay wires hinged; in all heights and for all purposes.

American Fence and Gates are for sale by dealers everywhere, or write us direct and we will send you a catalogue free, and tell you where you can get the fence and save money.

Manufactured by

The Canadian Steel & Wire Co.,
Limited,
HAMILTON, ONTARIO.

Galt Classik Ceilings

combine the harmony of a beautiful design with the mechanical excellence of sheet metal. They cannot crack, warp, drop off, or burn through; and are adjustable to a room of any size or shape. They are the only correct, sanitary and artistic interior finish for houses, stores, schools, churches, and all public buildings.

Worth knowing more about. Write for catalogue and Classik Kids Booklet. This is the Sheet Metal Age.
