*Acme* Brand, which is of our own manufacture, has never been more beautiful and dainty than now. Never before has fashion conceived such charming creations as we are offering for Spring and Summer wear. Those women who are gowned in the latest modes—those who are gowned most conservatively—are they who depend upon *Acme* whitewear to impart the last touch of completeness to their costumes. Our skirts for 1910 are art triumphs. They are the very pinnacle of whitewear fashion, offering the last word in fancy designs, now in vogue in New York, London and Paris.
