## FOR THE PROVINCIAL WESLEYAN. Power, in its Relation to the Gospel.

"All power is given unto me in Heaven and in earth." Such was the thrilling declaration made by the Lord Christ in connection with the organization of a force for the subjugation, and the giving of a great commission for the evangilization, of the

The Gospel was a manifestation of the wisdom of God-the manifestation of a mystery hid from ages, and " the riches of the glory of this mystery among the Gentiles" was its grand purpose to make known. The Gospel was intended to be a development of love-love in its heights and depths, surpassing human knowledge, as the infinite is request of my superintendent, I wish to ask could doubt. above the grasp of the finite. In view of the agony and bloody sweat, of the cross God in the Newport Circuit. and passion, of the resurrection and ascention, of the priestly intercession and exaltation, of the priestly intercession and exaltation.

system of truth, does not win its triumphs necting themselves with the classes; the a remembrance of me." hostility, and the undisguised enmity of the ed on trial for membership in our church, the glory to God, that carnal and ungenerate heart. Hence the most of whom are in the enjoyment of a The spirit is not dead, though low the body lies, necessity of a divine influence, and thus it clear evidence of acceptance with God, But freed from sin and sorrow, fled to dwell among the is that the excellency of the power is de- while still, others are casting in their lot That death is but a sleep beneath a Saviour's care;

Gospel, and still remains in all its vitality, favor of God; and for all the dear people Church teaches no fact more important, sians, 4 chapter, 16-19 verses. more instructive, or more encouraging than that the most successful agencies, and the most honored instrumentalities, those most signally owned and blessed by the Great Head of the Church, have generally been of the weakest and humblest kind. But they were rendered mighty through the power of

Not very difficult is it to account for the rapidity of that success attending Mahomet and Mahometanism. Its promulgaters, ared award and the flashing scimeter carrying try to country, explain the whole. But a scene very different is that presented when the Founder of Christianity leads his little band of unwearied followers out as far as impossible. Worldly wisdom would have tabernacle was giving way; but he murmurpronounced it, foolishness.

having been "endowed with power from on high," baving weapons not carnal but spirition in the course with his fellow towards other denominations we breathe the control of religion at North River towards other denominations we breathe the control of religion at North River towards other denominations we breathe the control of religion at North River towards other denominations we breathe the control of religion at North River towards other denominations we breathe the control of religion at North River towards other denominations we breathe the control of religion at North River towards other denominations we breather the control of religion at North River towards other denominations we breather the control of religion at North River towards other denominations we breather the control of religion at North River towards other denominations we breather the control of religion at North River towards other denominations we breather the control of religion at North River towards other denominations we breather the control of religion at North River towards other denominations. mal, they went forth, but not

"With the proud conqueror's ambitious aim, To wrong the guittless, to ensiave the free, and win blood-stained wreaths of dreadful fame. By deeds unworthy of the Christian name."

They went as messengers of mercy, to erect the standard of the cross in regions of death and darkness, to make known the faithful saving, Christ Jesus came to seek and to save the lost; to establish that dominion which secures "Glory to God in the highest, and on earth peace and good will toward fessed he had not that evidence of his active shape of reason and become a reality, men." And as they witnessed the power of the Gospel, and the majestic march of Christianity, they could say with swelling emocianity, they could say with swelling emocianty. Thenks he was God who always cised, and the result we believe was the object. tion: "Thanks be unto God who always causeth us to triumph."
