AN INITATION IN TESTIDE PERFECTLY

Copy of a Letter fram Mr. Francis Arnot, of Breakouse
Lottern Road, Etimbre, dated April 29th, 1851.

To Proving the Low Way,
Sir, Fromiere than twenty years my wife has been subject from time to time, to attack of inflormation in the sole, for which she was lided and litistered to a grantest and thought she will be pain could not be removed. All on the forevers ago she saw, in the paper, the wanterful cuts effected by your Fills and Outroent, and thought she would give them a trial. To her great astonishment and delight the got immediate rebet from their use, and after persevering for three weeks the usin in her side was completely cured, and she has enjoyed the foest of health for the last four years.
